About NTR TRUST

Established in 1997, NTR Trust has been at the forefront of bringing socio-economic change in Andhra Pradesh and Telangana states. It endeavours to create opportunities for the underprivileged to achieve their full potential, safeguarding health and safety and reducing poverty and instances of injustice. Our work is guided by an important principle: that we are guardians of private funds which must be utilized in the public interest. We are inspired by NTR's deeply held belief: that sharing and caring are the ultimate goals of human life.
