Dear friends,

“The best way to find yourself is to lose yourself in the service of others,” said Mahatma Gandhi.

The month of October has been particularly important as we celebrated the 150th Birth Anniversary of Mahatma Gandhi on 2nd Oct 2019. As a part of a countrywide campaign to ban single-use plastic, we organized a 5 km rally to create awareness.

The last quarter has been a promising one for us with some major achievements and development collaboration coming our way. We are now 22 years old and we have touched 1.6 million beneficiaries across Andhra Pradesh and Telangana states in India.

As always, we look forward to your feedback, suggestions, and support.

Thanks and regards

K. Rajendra Kumar-IPS (Retd)
Chief Executive Officer, NTR Memorial Trust
