## MESSAGE FROM CEO

My dear Colleagues and stakeholders,

We at NTR Memorial Trust have completed one more eventful year of our service in creating an empowered and self - reliant Society through Socio - economic development, particularly in the two Telugu speaking States of Andhra Pradesh and Telangana. Incidentally , we have entered in to Silver Jubilee year of our Trust in the service of our humanity. We have successfully completed 24 years of existence of our Trust established on 15th February 1997 by our Founding Trustee Shri Nara Chandrababu Naidu garu, the former Chief Minister of United Andhra Pradesh and bifurcated State of Andhra Pradesh in memory of Late Padma Shri Dr. Nandamuri Taraka Ramarao garu, legendary actor and former Chief Minister of Andhra Pradesh, who worked selflessly with the belief that "Society is Temple and people are Gods". As you all know, our main thrust is focused on prime areas like Health, Education, Blood Centres and Disaster relief management and we have done reasonably well in all these areas with the active and unstinted support of all the stake holders. I would like to give a brief of all such activities undertaken by the Trust during the year for better appreciation.

With regard to Health, our Trust has conducted 45 medical camps during the year under report in which 7464 beneficiaries were distributed free medicines worth around Rs. 11,64,700/-, at different places in both the States in coordination with the local Doctors, Medical Institutes, Colleges and other philanthropists. We continue to render our service by conducting more and more such camps for the benefit of all sections of the society.

Regarding education, we are running two educational institutions, one at Gandipet, Hyderabad with School and College and the other at Challapalli of Krishna District, Andhra Pradesh with School. The school education at both these places is co education whereas college at Gandipet is exclusively for girl students. The education at Challapalli is totally free covering more than 300 students, both boys and girls. All these institutes are well equipped with infrastructure, excellent faculty and hostel facilities. The courses at College level are tailor made for competitive examinations like JEE / NEET / Civils / CLAT / AILET / IPM etc. so as to prepare the students to face the competitive exams boldly and achieve their goals. Our students have done exceedingly well in their academic examinations and a few of them have secured good ranks in many competitive examinations at all India and State levels. We continue to put in our best efforts in further improving their academic standards in tune with the changes taking place at State and National levels.

Regarding Blood centres, presently we are operating 3 blood centres one each at Hyderabad, Visakhapatnam and Tirupati. They have organized 211 camps during the year with free issues worth Rs.25,29,550/- for the needy and underprivileged suffering with Thalassaemia, Sickle Cell Anemia and other genetic disorders. All our Blood Centres have risen to the occasion during Covid time and worked 24/7 in serving the general public.

Availability of Quality blood and blood products remain a major challenge to the patients for faster recovery, especially for people needing regular blood transfusion on account of blood disorders such as Thalassemia, Sickle Cell Anemia, Hemophilia, etc. Obstetric patients, Cancer patients and others in dire need, such as victims of accidents, need blood products on a daily basis during the pandemic period.

All our Blood Centers operated normally round the clock regardless of the pandemic. It is crucial that healthy people continue to donate blood so that needy patients can have access to the blood products at crucial time. Many hospitals have stopped undertaking elective surgical cases which accounts to maximum blood utilization. However, NTR TRUST Blood Centres always catered to the requirement of patients even at the shortest notice and the donors who willingly came forward even during curfew for saving the lives of needy people deserve special recognition and appreciation for their selfless service and generosity.

The Trust undertook many disaster relief measures during the year such as installation of Oxygen generation plants at Kuppam (Chittoor District, A.P.), Tekkali (Srikakulam District, A.P) and Gudur (Mahabubabad District, Telangana), Relief activities at Tirupati, Nellore and Kadapa due to floods, Covid relief activities including providing daily Telemedicine facilities to the needy people through video conferencing with support from eminent Doctors both from India and USA etc. by spending an amount of Rs.2,13,71,945/- and always stood in the forefront whenever and wherever such calamities happened in order to alleviate the miseries of the affected people.

At the same time, we have many challenges before us such as improving our standards of performance in all verticals, faster and efficient delivery of services to the needy, expansion / diversification of our activities, mobilization and optimum utilization of resources with stringent financial efficiency / re engineering to meet the set goals etc. and we need to have a thorough and comprehensive study of all these aspects so as to expand our services further in the years to come.

I wish to express my sincere thanks to the Management of Trust, employees, donors, and volunteers for their trust and constant support extended to me in achieving the goals of Trust which would not have been possible without their unstinted support and willing cooperation.

I wish you all a happy New Year and Pongal.

**K. Rajendra Kumar** IPS (Retd),

Chief Executive Officer  
NTR Memorial Trust

**Smt. Nara Bhuvaneshwari**

Managing Trustee  
NTR Memorial Trust

Dear Patrons,

At the outset, please allow me to offer our sincere thanks for the unconditional support and trustful collaboration you have extended to us during these testing times following the onset of Covid pandemic. In tune with our deeply rooted credo “We Work The Talk” – we have achieved reasonable results in 2021-22 and exponentially expanded our reach across the two Telugu-speaking States. For us, 2021 was marked by the strong goal to care for the needy and underprivileged, at all times, regardless of the many obstacles we found on our way.

Through the Blood Centers, we made important strides to help scores of needy patients obtain precious blood products to save lives that depend on them. At the heart of our effort is a strong desire to help improve the quality of life for all patients, especially those suffering with Thalassemia. Heartfelt thanks to our donors and partners for trusting NTR Memorial Trust – our success wouldn't have been possible without you.

Even though not as much as in 2021, the pandemic did affect lives in 2022 as well. NTR Memorial Trust continued its efforts to supply basic needs to affected families as well as extended medical advice through a devoted team of specialists.

Floods continued to ravage the Andhra Pradesh during the last year. Many lives were lost and hundreds of houses were destroyed during the Annamayya Project breach following heavy rains. Apart from providing food and basic supplies, NTR Memorial Trust has extended Rs. 1Lakh each to 48 families, helping with the daunting task to rebuild their lives. With many lessons learnt, and penchant to adapt, we are looking optimistically into the future. We wish to express our sincere gratitude to our employees, donors, and volunteers for their trust and support. We also look forward to intensifying our impact in Andhra Pradesh, Telangana and beyond.

Thank you from the bottom of my heart.

Nara Bhuvaneshwari

## About NTR Memorial Trust:

The journey of NTR Memorial Trust was started in the year 1997, by Founding Trustee Shri Nara Chandra Babu Naidu garu, the former Chief Minister of united Andhra Pradesh and bifurcated State of Andhra Pradesh in the memory of Late Padmasri Dr. Nandamuri Taraka Ramarao garu, Legendary Actor & Former Chief Minister of Andhra Pradesh. Who worked selflessly with the belief that "Samajame devalayam prajale devullu" (Society is the Temple and People are Gods). The Trust was formed with a vision of creating an empowered and self-reliant Society through socio-economic development.

## NTR Memorial Trust Vision:

Under the leadership of our visionary and dynamic present Managing Trustee Smt. Nara Bhuvaneshwari garu wants to ensure a robust society where every segment of society in every sphere of activity is productive, happy and healthy and self-reliant.

## Empowerment & Livelihoods:

We promoted self-employment amongst both rural and urban youth by offering support through Banks and other financial institutions along with training in our state-of-art Skill Development Centres. NTR Memorial Trust has strived hard to build / upgrade the employment oriented skill capacity of thousands of individuals from the underprivileged sections of the society.

- Through our Skill Development and Self Development Programs, we have trained 7345 individuals and placed 2500+ youngsters in different organizations.
- We have made 60 drivers as owners through our UBER Partnership.
- Offered financial assistance of Rs. 4 Crore to unemployed youth to make them Entrepreneurs.
- Conducting Free Tailoring courses to empower women through sustainable livelihoods.
- Conducted a Job Mela where 25,928 job aspirants participated, out of which, 4,000 members have been placed in top corporate companies.

NTR Memorial Trust, Hyderabad has organised vocational skill development training program in fashion designing and tailoring for the empowerment of women through sustainable livelihoods.

The training was focused on providing women with basic tailoring and business development skills, Shri K. Rajendra Kumar IPS (Retd), CEO, NTR Memorial Trust, said Tailoring is one of the most important skills which can be acquired easily and will empower women from lower strata of the Society to be financially independent.

NTR Memorial Trust has helped women in Hyderabad in attaining sustainable livelihood by imparting Tailoring Skills free of cost. Many of these women are either out of work or work in low paid professions traditionally assigned to women like domestic help. We need to empower them socially, equip them with a range of skills and knowledge to enable them to supplement the family income.

## NTR Sujala:

Through NTR Sujala, we provide safe and clean drinking water to villages affected by high fluoride and salinity levels in groundwater.

NTR Sujala Water Dispensing System has been designed as a unique cluster model that is integrated with state-of-the-art digital and IoT technologies where the water production, distribution, dispensation and consumption are monitored real-time.

- ▶ We provide affordable safe drinking water in rural areas at Rs. 2/- per 20 liters.
- ▶ Provided affordable safe drinking water to 3.50 lakh people in Andhra Pradesh and Telangana.
- ▶ Installed 41 individual R.O, Plants and Installed 3 cluster model R.O. Plants

# NTR MODEL SCHOOL Himayathnagar

## Annual Report from April 2021 to March 2022

This annual report of NTR Model School comprises of the stellar accomplishments and moments of excellence achieved during the year gone by, along with the vision to exceed the high expectations placed in the year to come. NTR Model School has never left any stone unturned when it comes to attaining overall development of its students. It helps students gain the most important things they need to succeed in college and career: leadership skills, and deeper learning abilities such as advanced thinking and growth mindset.

In this Annual Report, all the challenges, efforts, activities and best practices employed during the successful academic year 2021-22 will be summarily presented. Pre-Primary classes were closed during the A.Y. 2020-21. Primary (I-V) annual exams were completed by 3rd April 2021. Class IX annual exams were completed by 10th April and new A.Y has begun from 15th April,2022.

Primary classes II-IV are closed down from the A.Y. 2021-22. High school classes (V-X) started from 21st April, 2021 for the A.Y. 2021-22. CBSE Board has cancelled exams, however, it has instructed to set up a Moderation Committee in the school to finalize the marks for declaration of CBSE Board results.

Every academic year, training and orientation programs are conducted for teachers to improve and implement innovative ideas in teaching and learning practices.

NTR Model School teachers have attended a two-day workshop conducted by the CBSE Board at Creek Side International School on “Capacity Building Program” on 25th & 26th May 2022. Teachers were encouraged to participate as many virtual (or) physical programmes as possible by CBSE. Objective and Descriptive exams were conducted using Google forms and MCB App.

In the month of August, NTR Model School celebrated the Independence Day at the school campus with much pomp and fanfare. Teacher’s day was celebrated on the 5th of September at the school Physical classes were reopened from 6th of September for all classes i.e. V to X. Several co-curricular activities were conducted daily for 40 minutes to motivate children for physical attendance and to get them used to school. Periodic Test-2 was conducted from 4th October to 9th October and the PTM was conducted on 23rd October. Five students were nominated for inspire awards conducted by the CBSE. Rashtriya Ekta Divas was celebrated on 30th October.

Children’s Day was celebrated on 14th November and various competitions like Elocution, Essay Writing and Painting were conducted. Many students were participated in competitive exams like NASO and CLB in the month of December. Nine students were selected for NASO second level which was held on 5th March 2022. Mr. G. Prashanth Yadav of class VIII has secured Gold Medal in Wrestling Championship in under-15 years category at Ranga Reddy District level and Silver Medal at the National Level event conducted at Delhi.

Religious and National festivals like Christmas, Sankranthi and Republic Day celebrations were celebrated. Students belonging to different faiths participated enthusiastically in a bid to foster the values of unity and respect diversity. As part of Bridge Course, a base line test was conducted on 28th December 2021. Annual exams were conducted from 14th March to 28th March for classes V-IX and class IX students bid Farewell to class X students. The Annual PTM was conducted on 4th April.

The supportive management must be applauded for its continuous guidance which has enabled the school to reach new heights of success with every passing year. Teachers and other staff members also deserve praise for their tireless efforts in implementing quality education. Heartfelt thanks to parents and students who have shown continuous, unflinching faith in NTR Model School. With all the faith and trust in the education mission, the school will continue to prepare dynamic citizens for the country with great love and zeal.

Thank You All!

## Disaster Relief Management

NTR Memorial Trust join hands to help Tirupati flood victims

The NTR Memorial Trust has stepped forward to assist people affected by unprecedented rains and floods in Tirupati and surrounding areas in Andhra Pradesh. NTR Memorial Trust Samaritans have distributed food packets and clean drinking water pouches to needy people. NTR Memorial Trust, always takes the lead in the areas of disaster relief and rehabilitation as and when such need arises.

Smt. Nara Bhuvaneshwari garu - Managing Trustee, NTR Memorial Trust, has provided financial assistance of 5 thousand rupees each to 172 families at Gangapatnam village of Nellore. Thousands of people were severely affected due to sudden floods in November 2021 which wreaked havoc in their lives. Many residents deserted their homes leaving behind their belongings which were got damaged due to floods. Amongst the hundreds of affected villages, Gangapatnam village of Nellore District was one of the worst affected leaving 172 families without shelter. Elated residents profusely thanked Smt Nara Bhuvaneshwari garu, Managing Trustee, NTR Memorial Trust for rendering such humanitarian service during the crises.

NTR Trust has been at the forefront in offering food and financial assistance to thousands of victims affected by floods in Rayalaseema region of Andhra Pradesh. Managing Trustee Smt. Nara Bhuvaneshwari has expressed her heartfelt thanks to each and every donor and volunteers who stepped in on behalf of NTR Trust to deliver the much-needed support during these testing times

## Inauguration of Oxygen Generation plant at Regional Hospital, Kuppam by Shri. Nara Chandrababu Naidu garu.

While inaugurating the Oxygen generation plant installed by NTR Memorial Trust at Regional Hospital Kuppam, Chittoor Dist. Shri. Nara Chandrababu Naidu garu, TDP National President appreciated the selfless service rendered by NTR Memorial Trust and said that the Trust is providing yeoman service to the poor and needy in times of crisis situation. He further said that NTR Memorial Trust organized Telemedicine facilities to the corona patients through reputed doctors based in USA and other parts of India and ensured door delivery of medicines besides providing Oxygen concentrators to the patients and establishing two Oxygen Generation plants one each at Kuppam and Tekkali. NTR Memorial Trust Managing Trustee Smt. Nara Bhuvaneshwari garu has also provided financial assistance to 48 families who lost their loved ones due to floods. They were given financial support of Rs. 1 lakh each through NTR Memorial Trust amounting to Rs. 48 Lakhs in total. Further, food packets and financial assistance was also provided to the flood victims in Nellore, Cuddapah and Tirupati.
