## HIGHLIGHTS

---

Fresher's day Celebrations under the banner "Samagrah Aarambh" was organized on September 9, 2023. Dr. Vijjulatha, Vice Chancellor of Mahila Viswa Vidyalyayam of Telangana graced the occasion as Chief Guest, the students presented a variety of cultural programs which was highly appreciated by Chief Guest. While addressing the students, the Chief Guest emphasized on the need for determination, dedication and devotion which is essential to success in life and shared her lifetime experiences with the students which motivated and inspired them immensely.

NTR Junior and Degree College for Women, organized a specialized career Guidance program on September 30th in collaboration with the National Footwear Design & Development Institution (FDDI) in Hyderabad, for spreading awareness among Inter and Degree students about the future and Career option.

The students of NTR Degree College enthusiastically participated in the Swachh Bharat program, demonstrating their commitment to cleanliness by dedicating themselves to cleaning the surrounding areas of the village.

Telangana Academy for Skill & Knowledge (TASK) conducted a career guidance program on October 3rd, specifically aimed at undergraduate students within the college vicinity

Bathukamma and Dussehra Celebrations at NTR Educational Institutions were organized with immense enthusiasm and unwavering devotion to the goddess Durga.

# BLOOD CENTRES

NTR Memorial Trust extended its sincerest gratitude to its donors for their generosity and willingness to donate by saving blood. Through their donation of the Single Donor Platelets, countless lives are saved and many will have a second chance at living an improved and healthier life.

The generosity and selflessness exhibited by donors is a genuine reflection of the human spirit. The Trust has made every effort to express gratitude to all of the volunteers for their invaluable contributions. For any enquiries, please contact Hyderabad (040-48577888), Tirupati (0877-2255668) or Vizag (0891-2565858).

## BLOOD CENTRES

### THALASSEMIA - THE SIGNS, SYMPTOMS AND TREATMENT OF THIS COMMON BLOOD DISORDER

Thalassemia, a blood disorder that affects millions of people globally, can cause a range of symptoms due to an abnormal amount of haemoglobin in red blood cells. Those living with Thalassemia must receive ongoing monitoring and treatment from healthcare providers. Treatment options include blood transfusions, management of iron levels in the body, and potentially bone marrow transplants.

NTR Memorial Trust Blood Centres have been at the forefront in providing Thalassemia patients and their families, with access to life-saving blood units. With their unwavering commitment to providing essential resources, blood Centres are open round the clock to meet the needs of those who require help. Those in need can contact the NTR Trust's Information Centre for assistance in obtaining blood units for their loved ones. The NTR Memorial Trust is proud to support Thalassemia patients in need by offering blood transfusions in Hyderabad, ensuring patients have the best chance at a healthy and fulfilling life. For any assistance or enquiries, please contact the NTR Trust for more information (contact.no: 040-48577888).

## HEALTH CAMPS

### NTR SANJEEVANI FREE CLINIC @KUPPAM

NTR Sanjeevani Free Clinic is wholly committed to delivering vital medical services to underprivileged communities on a daily basis. NTR Sanjeevani's free clinic and free mobile clinic have conducted a total of 183 medical camps, effectively supporting 17,554 beneficiaries with medicines worth Rs. 50,28,588. Through accessible and compassionate care, NTR Memorial Trust is truly dedicated to making a meaningful impact in the lives of those in desperate need.

### RURAL HEALTH CLINIC: KUPPAM NTR SANJEEVANI FREE CLINIC

To bridge the gap between rural communities and quality healthcare services, we have established rural health clinics in underserved areas. These clinics offer comprehensive primary healthcare services along with specialized care for chronic diseases.

### MOBILE MEDICAL UNITS

Mobile medical units are deployed to remote areas with advanced facilities. A dedicated team of highly skilled doctors and nurses provide comprehensive medical check-ups, treatments, and essential medications at no cost to the patients. Their mission is to ensure that even in the most underserved communities, individuals receive the healthcare they deserve.

# HEALTH CAMPS

## NTR MEMORIAL TRUST HEALTH CAMPS

Through its various healthcare projects and initiatives, the NTR Memorial Trust has been working tirelessly to improve the lives of people from all walks of life, especially those from underprivileged communities. The Trust remains committed to its mission of providing equitable and accessible healthcare to all and continues to strive towards creating a healthier and happier society.

This year's health check-up camps saw a large number of participants from all walks of life. They received comprehensive health screenings for various medical conditions, including diabetes, cardiology, ophthalmology, pulmonology, gynaecology, general medicine, blood pressure, dermatology, ENT, orthopaedics and height/weight/BMI measurements.

The screenings were conducted by a team of experienced healthcare professionals and experts to ensure that participants received the best possible care. The Trust's monthly health check-up camps have been benefiting numerous people across both States. The Trust's mission to provide access to quality healthcare to all, regardless of their socioeconomic status, has been the driving force behind these initiatives and programs.

## NTR SUJALA

The NTR Sujala Water dispensing system is a revolutionary water management approach that harnesses cutting-edge digital and IoT technologies. By enabling real-time monitoring and analysis of water production, distribution, dispensation, and consumption, this innovative system provides a comprehensive view of water usage patterns. This can help to identify areas where water conservation measures can be focused, promoting increased efficiency and sustainability. The transparency and accountability that the system provides in the water distribution process are unparalleled. The NTR Sujala Water dispensing system has the potential to be a game-changer in the water management landscape, paving the way for a more responsible and sustainable use of this vital resource.

**In September'23 The NTR Trust supplied 262 tankers & In October' 23 supplied 306 tankers**

**Each tanker has 5000 litres capacity. This denotes that each family gets 20 litres of drinking water supply in a day.**

**About 1,42,000 families benefited through the NTR Sujala Water program.**
