HIGHLIGHTS

The NTR Memorial Trust proudly announced the launch of their annual calendar, unveiled by Managing Trustee Smt. Nara Bhuvaneshwari Garu on 28th December 2023 in a ceremony held at its Head Office. This event was attended by the Chief Executive Officer, Chief Operating Officer and all staff members from its headquarters.

Shri N Chandrababu Naidu Garu, the esteemed former Chief Minister of Andhra Pradesh, had visited the renowned NTR Sanjeevani Free Clinic in Kuppam. During this noteworthy event, Shri Nara Chandrababu Naidu Garu unveiled the annual calendar of NTR Trust amidst team members from the clinic. He concurrently sent out warm New Year greetings to all.

Gest (Girl Education Scholarship Test) 2023 was conducted at NTR Junior and Degree College for women, Gandipet, Hyderabad on December 17th, 2023. Approximately 1000 girl students participated in the merit scholarship test, accompanied by over 1000 parents from various parts of Telangana and Andhra Pradesh.

The parents were delighted to see the impressive 10-acre campus with top-notch facilities at NTR Girls Junior and Degree College. Shri K. Rajendra Kumar IPS (Retd), CEO of NTR Memorial Trust, along with Dr. M V Rama Rao, Academic Dean of NTR Educational Institutions, and other staff engaged in fruitful interactions with the parents, sharing the vision behind the NTR Junior and Degree College for Girls and the Scholarship Test. The Staff of NTR Educational institutions addressed the gathering, providing guidance and counseling to the girls regarding their career prospects.

SEWERAGE TREATMENT PLANT INAUGURATED AT NTR EDUCATIONAL INSTITUTIONS ON 16-12-2023

The Sewerage Treatment pertains the remediation of wastewater via a successive series of physical, biological, and chemical procedures. These are employed with the objective of eliminating pollutants and contaminants. The fundamental doctrine guiding this approach is predicated on emulating and augmenting naturally occurring environmental processes that contribute the water purification.

The Chief Guest, Dr. M. Sambasiva Rao IAS (Retd), President of HFL, had inaugurated a sophisticated Sewerage Treatment Plant located within NTR Educational Institutions premises in Gandipet, Hyderabad.

This state-of-the-art facility has an impressive capacity to effectively process up to 400 kiloliters of sewerage daily (KLD), ensuring complete treatment of all waste generated by the institution.

This significant event was graced by Shri K. Rajendra Kumar IPS (Retd), CEO from NTR Memorial Trust; Shri A Gopi, COO NTR Memorial Trust; Shri. Srideep N Kesavan , CEO for HFL(Heritage Foods Limited); Dr P Venkateshwarlu, Director at NTR Educational Institutions and Dr M.V Rama Rao, Academic Dean at NTR Educational Institutions along with Shri UmaKanth, Company Secretary of Heritage, together with other dedicated staff members associated with HFL and NTR Educational Institutions.

NTR DEGREE COLLEGE FOR WOMEN ORGANIZED A WORKSHOP FOCUSING ON THE "ISSUE OF CYBER SECURITY"

The event aimed to provide students with a comprehensive understanding of cyber security and equip them with skills to mitigate potential cyber threats that could affect their professional and personal lives.

During this workshop, Mr. Manoj Polaki, Ms. Priya, and Ms. Thulasi Priya - renowned technological specialists from "REDSECOPS" - shared valuable insights into password hacking methodologies, various hacking techniques, and incidents involving malware intrusion. They extensively discussed critical topics such as network trafficking detection, secure browsing protocols, and strategies for safeguarding personal data on digital platforms.

The speakers supplemented their discourse with practical examples from everyday situations to highlight the risks individuals face without proper internet safety measures. The workshop witnessed active participation from enthusiastic young aspirants eager to learn from the experts' experience in the field.

Dr M.V Rama Rao, Academic Dean, NTR Educational Institution commended the technology experts for their dedication to educating students about cybersecurity vulnerabilities. Faculty members also played an active role during this informative orientation session.

BLOOD CENTRES

NTR Memorial Trust extends congratulations to the NTR Memorial Trust Blood Bank team - Vishakapatnam, for being honoured with the notable award for Best Services for the year (2022-2023) by the State Health Authority on December 1st, 2023. This recognition highlights their unwavering dedication to providing exceptional healthcare services and their significant contribution to saving lives through commendable Blood Bank operations. Their commitment to maintaining high-quality standards in healthcare is commendable and deserving of praise. Congratulations on this well-deserved success.

THALASSEMIA - THE SIGNS, SYMPTOMS AND TREATMENT OF THIS COMMON BLOOD DISORDER

Thalassemia, a global blood disorder affecting millions, leads to various symptoms due to abnormal haemoglobin levels in red blood cells. Patients require on-going monitoring and treatment, including blood transfusions and iron level management.

NTR Memorial Trust Blood Centres play a pivotal role in providing life-saving blood units to Thalassemia patients and their families, operating round-the-clock to meet their needs. Amidst reports of severe blood shortages impacting critical patients and Thalassemia sufferers, the Trust urges those in need to reach out to their Blood Bank, particularly Thalassemia patients.

The Trust's Information Centre stands ready to assist individuals in obtaining blood units. NTR Memorial Trust Thalassemia Care Centre in Hyderabad offers essential support, ensuring patients receive necessary blood transfusions for a healthier life.

For any assistance or enquiries, please contact the NTR Memorial Trust for more information (contact.no: 040-48577888/9032005611).

HEALTH CAMPS

NTR SANJEEVANI FREE CLINIC @KUPPAM

NTR Sanjeevani Free Clinic demonstrates unwavering dedication to providing essential medical services to underprivileged communities on a daily basis. The Clinic, along with its Free Mobile Units, organised 145 medical camps, benefiting 11,879 individuals and providing medicines worth 29,16,653 rupees. Through accessible and compassionate care, NTR Memorial Trust remains committed to creating a significant impact in the lives of those in dire need.

RURAL HEALTH CLINIC: NTR SANJEEVANI FREE CLINIC

In an effort to address the healthcare needs of rural communities, NTR Sanjeevani Free Clinic has established rural health clinics in underserved areas. These clinics offer comprehensive primary healthcare services, including specialized care for chronic diseases, aiming to bridge the gap between rural communities and quality healthcare services.

MOBILE MEDICAL UNITS

NTR Sanjeevani Free Clinic operates Mobile Medical Units equipped with advanced facilities, serving remote areas. A dedicated team of highly skilled Doctors and Nurses offers comprehensive medical check-ups, treatment, and essential medication free of charge to patients. Their mission is to ensure that individuals in the most underserved communities receive the healthcare they rightfully deserve.

HEALTH CAMPS

GENERAL HEALTH CAMPS

Through its various healthcare projects and initiatives, NTR Memorial Trust has been tirelessly working to improve the lives of people from diverse backgrounds, particularly those from underprivileged communities. Ntr Trust remains steadfast in its commitment to providing equitable and accessible healthcare for all, aiming to foster a healthier and happier society.

This year's health check-up camps witnessed significant participation from individuals representing various demographics. Attendees received comprehensive health screenings covering a range of medical conditions, including diabetes, cardiology, ophthalmology, pulmonology, gynaecology, general medicine, blood pressure, dermatology, ENT, orthopaedics, and height/weight/BMI measurements.

A team of seasoned healthcare professionals and experts conducted the screenings, ensuring participants received optimal care. The Trust's monthly health check-up camps have been instrumental in benefiting numerous individuals across both States. The Trust's overarching mission to offer quality healthcare access to all, irrespective of their socioeconomic status, serves as the guiding principle behind these initiatives and programs.

NTR SUJALA

Quench Your Thirst
with **NTR SUJALA**

**TRANSFORMING LIVES
WITH PURE, REFRESHING
DRINKING WATER!**

NTR Sujala Water dispensing system represents a groundbreaking approach to water management, leveraging state-of-the-art digital and IoT technologies. Through real-time monitoring and analysis of water production, distribution, dispensation, and consumption, this innovative system offers a comprehensive overview of water usage patterns. It aids in pinpointing areas for water conservation efforts, thereby enhancing efficiency and sustainability. The system's transparency and accountability in water distribution are unmatched, potentially revolutionizing water management practices.

In November'23 NTR Trust supplied 263 tankers & **in December' 23** supplied 251 tankers

Each tanker has 5000 litres capacity. This equates to a daily water supply of 20 litres per family. Approximately 2,142 families have benefited from NTR Sujala Water program, underscoring its significant impact on community welfare and resource management.
