HIGHLIGHTS

CELEBRATION OF NTR'S 101ST BIRTH ANNIVERSARY

On a momentous occasion, the NTR Memorial Trust celebrated the 101st birthday of Legendary Actor Padma Shri Nandamuri Taraka Rama Rao garu at NTR Bhavan, Hyderabad on 28th May 2024. The event was filled with love and reverence as supporters, members of the Trust, and well-wishers gathered to pay tribute to Shri Nandamuri Taraka Rama Rao garu.

NTR Memorial Trust organized a significant voluntary Blood Donation Camp at NTR Trust Bhavan in Hyderabad, inaugurated by Shri K. Rajendra Kumar IPS (Retd), CEO, NTR Memorial Trust.

On this occasion, he emphasized the importance of blood donation as a noble act that not only saves lives but also fosters a spirit of community and compassion among individuals. His presence and words inspired many, reminding everyone of the profound impact that a single act of kindness can have on the lives of others.

NTR Trust's team encourage everyone to consider becoming regular blood donors, as it is a simple yet profound way to make a significant impact in the lives of others. The NTR Memorial Trust remains committed to organizing more blood donation camps and health initiatives in the future, ensuring that they continue to serve community in meaningful ways.

MANAGING TRUSTEE'S VISIT TO NTR HIGH SCHOOL IN CHALLAPALI, KRISHNA DISTRICT, ANDHRA PRADESH

In line with NTR Trust's mission to support education and empower youth, the Managing Trustee visited NTR High School in Challapali, Krishna Dist., Andhra Pradesh on 28th June 2024. This visit highlighted Trust's ongoing commitment to educational initiatives, which are an integral part of NTR's vision for social upliftment. During the visit, the Managing Trustee interacted with students and faculty, gaining insights into the school's achievements and challenges.

HIGHLIGHTS

NTR Model School has been making great strides in providing quality education and fostering a nurturing environment for students. The Managing Trustee expressed pride in the school's accomplishments and also mentioned that the Trust is committed to supporting poor and needy students to enhance their learning and provide them with more opportunities.

CELEBRATION OF THE MANAGING TRUSTEE'S BIRTHDAY

The NTR Memorial Trust team had the pleasure of celebrating the birthday of the Managing Trustee at the Trust Headquarters. This gathering was not just a personal celebration but also an opportunity for the team to reflect on the progress made under the Trustee's leadership. The event brought together staff, supporters, and well-wishers, creating a warm atmosphere filled with camaraderie and shared purpose.

The Managing Trustee expressed gratitude for the unwavering support of the Trust's team and the community, emphasizing the importance of collaboration in achieving their goals.

CONGRATULATIONS TO SHRI NARA CHANDRABABU NAIDU

The Team of NTR Memorial Trust congratulates Shri Nara Chandrababu Naidu Garu, on taking the oath as the Chief Minister of Andhra Pradesh once again for the 4th time. His leadership and vision are crucial for the continued development of the State. The team of Trust, look forward to working together towards the common goal of progress and prosperity for the people of Andhra Pradesh.

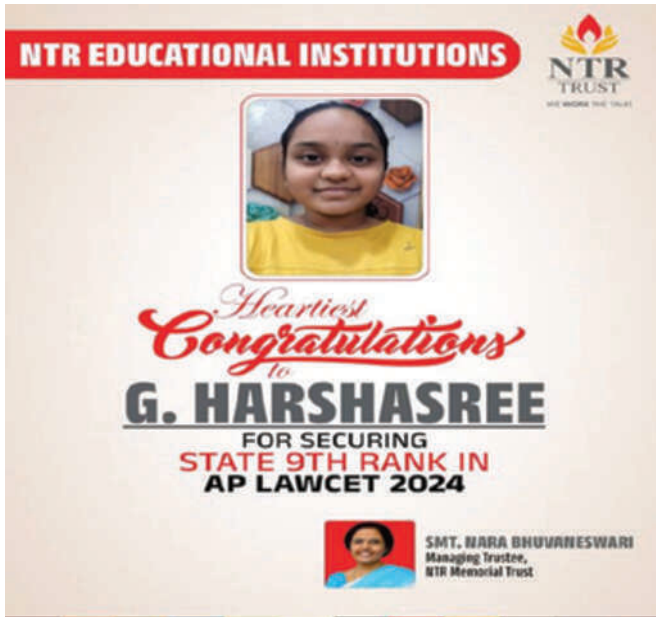

NTR Junior and Degree College for Women is excited to bring you the latest updates and accomplishments from Junior and Degree College. The commitment to providing quality education and fostering talent among the students continues to yield remarkable results.

GEST EXAM FOR DEGREE STUDENTS

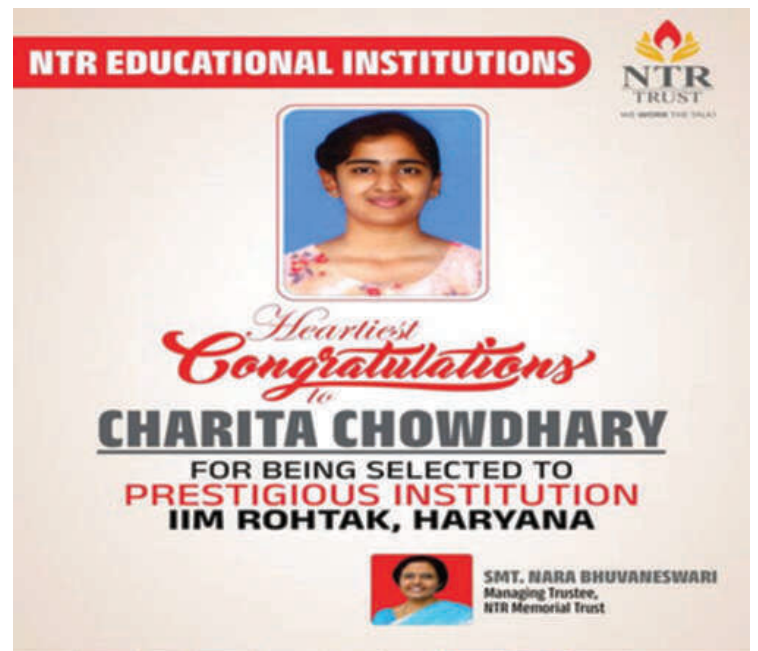

The college is pleased to announce that it has successfully conducted the GEST (Girls Education Scholarship Test) exam for Degree students. This initiative is designed to provide scholarships to deserving students, ensuring that financial constraints do not hinder their academic aspirations. The GEST exam represents a significant step towards recognizing and rewarding academic excellence among the students.

NTR Junior and Degree College encourage's all eligible students to take advantage of this opportunity, as it can greatly assist them in pursuing higher education without the burden of financial stress.

Heartfelt congratulations to Architha Goud, who has secured the 10th rank in the TS LAW CET 2024! Architha's hard work, dedication, and perseverance have truly paid off, and we are all immensely proud of her achievement. This accomplishment not only reflects her individual efforts but also highlights the quality education and support provided at NTR Educational institutions.

Congratulations to G. Harshasree, who has achieved an impressive 9th rank in the AP LAW CET 2024. Harshasree's success is a testament to her commitment to her studies and her ambition to excel in the field of law. We are confident that both Architha and Harshasree will continue to shine in their future endeavors.

Furthermore, NTR Trust congratulates Ms, Charitha Chowdhary for her selection at the prestigious Indian Institute of Management (IIM) Rohtak, Haryana. Being chosen for such an esteemed institution is a remarkable achievement that speaks volumes about Charitha's dedication and academic prowess. We wish her all the best as she embarks on this exciting journey and represents NTR Junior & Degree Women's college at IIM Rohtak.

LOOKING AHEAD

NTR Educational Institutions celebrate these remarkable accomplishments, and look forward to more opportunities for their students to excel academically and professionally. The college remains committed to organizing workshops, seminars, and mentorship programs that equip their students with the skills needed to succeed in their respective fields.

As the NTR Junior and Degree College for Women encourages its students to actively participate in these initiatives and take full advantage of the resources available at college. It also remind students that their education is a foundation for their future, and they are there to support them every step of the way.

Let us continue to inspire and empower one another for excellence in education.

BLOOD CENTRES

On the occasion of 101st Birth anniversary of Legendary Actor Padma Shri Nandamuri Taraka Rama Rao Garu, NTR Memorial Trust Blood Centres Hyderabad, Visakhapatnam and Tirupati's team organized blood donation camps at various locations across the Andhra Pradesh State, further amplifying the reach and impact of this noble cause.

NTR Memorial Trust blood centres were abuzz with activity as volunteers and donors came together, united by a common goal: to give the gift of life. The collective effort of volunteers and donors exemplifies the power of community spirit, and proud to have witnessed such enthusiasm and support.

SUCCESSFUL CAMPS ACROSS ANDHRA PRADESH

The Blood Centres teams worked tirelessly to set up camps in key locations, making it convenient for people to donate blood. The response from various sections of the society has been overwhelmingly positive, with hundreds of volunteers stepping forward to lend a helping hand. Each donation received is a testament to the compassion and solidarity of the people of Andhra Pradesh.

IMPACT ON LIVES

The blood collected during these camps will go a long way in supporting hospitals and clinics across the State, helping patients undergoing critical surgeries, accident victims, and those suffering from chronic illnesses. Each donation has the potential to save multiple lives, and their collective efforts have reinforced the idea that together, it can make a difference.

BLOOD CENTRES

NTR Memorial Trust Blood Centres conveys heartfelt gratitude to all the voluntary blood donors who stepped forward to participate in this life-saving initiative. Their commitment to helping those in need reflects the true spirit of selflessness and community service that Late Dr. Nandamuri Taraka Rama Rao epitomized.

Each unit of blood donated can save three lives, and their generosity has undoubtedly made a significant difference in the community.

THALASSEMIA - THE SIGNS, SYMPTOMS AND TREATMENT OF THIS GENETIC BLOOD DISORDER

Thalassemia is a genetic blood disorder characterized by the body's inability to produce adequate amounts of haemoglobin, the protein in red blood cells that carries oxygen. This deficiency can lead to a variety of symptoms, including severe anaemia, fatigue, and other complications that may affect overall health.

It is essential for individuals diagnosed with Thalassemia to receive ongoing monitoring and treatment from healthcare providers to manage their condition effectively.

NTR MEMORIAL TRUST Thalassemia Care Centre typically involves the treatment of blood transfusions.

BLOOD CENTRES

Blood Transfusions: Regular blood transfusions are often necessary for patients to maintain healthy haemoglobin levels and prevent complications associated with anaemia.

NTR MEMORIAL TRUST'S THALASSEMIA CARE CENTRE COMMITMENT

NTR Memorial Trust Blood Centres, are dedicated to providing comprehensive support to Thalassemia patients and their families. The centres are equipped to deliver life-saving blood units around the clock, ensuring that patients have timely access to the transfusions they need.

The unwavering commitment to the community means that they are always on standby to assist those who require their help. NTR Trust believes that every patient deserves the best chance at a healthy and fulfilling life. Therefore, they strive to maintain a high standard of care, ensuring that their services are both accessible and effective.

As the NTR Memorial Trust continue to raise awareness about Thalassemia and its impact on individuals and families, this encourages everyone to support those in need. Together, everyone can make a difference in the lives of Thalassemia patients.

HEALTH CAMPS

HEALTH CAMPS

As part of its ongoing commitment to enhancing health, the NTR Memorial Trust has successfully organized its Monthly Health Check-up Camps across Telangana and Andhra Pradesh States. These Camps are a testament to the organization's dedication to promoting better health outcomes and ensuring that quality healthcare is accessible to all, regardless of socioeconomic status.

FREE HEALTH SCREENINGS

During the camps, attendees received thorough health screenings for a wide array of medical conditions.

The services included evaluations in Diabetes management, Cardiology, Ophthalmology, Pulmonology, Gynaecology, General Medicine, Blood pressure monitoring, Dermatology, ENT (ear, nose, and throat), orthopaedics, and assessments of height, weight, and BMI.

These comprehensive screenings were conducted by a dedicated team of experienced healthcare professionals and specialists who are committed to delivering the highest standards of care. By providing such a wide range of services, NTR Memorial Trust, aims to identify potential health issues early and equip individuals with the knowledge they need to make informed health decisions.

IMPACT ON COMMUNITIES

The NTR Memorial Trust's health check-up camps continue to make a significant impact on the lives of many across Telangana and Andhra Pradesh States. The Trust mission to provide equitable access to healthcare has been a driving force behind these initiatives.

HEALTH CAMPS

It believes that everyone deserves the right to quality healthcare, and their efforts are focused on reaching those in underprivileged communities who may otherwise be left without essential health services.

Through the various healthcare projects and initiatives, they strive to uplift the communities they serve. The feedback they receive from participants is overwhelmingly positive, highlighting the importance of these camps in fostering a culture of health awareness and prevention.

NTR SUJALA

In a world, where water scarcity is becoming an increasingly pressing issue, innovative solutions are essential for sustainable water management. We are excited to introduce the NTR Sujala Water Dispensing System, a groundbreaking approach that harnesses the power of digital and Internet of Things (IoT) technologies to transform the way water is managed, distributed, and consumed.

A New Era of Water Management

The NTR Sujala Water Dispensing System represents a significant leap forward in water management practices. By integrating advanced digital technologies with IoT capabilities, this system provides real-time monitoring and analysis of water production, distribution, dispensation, and consumption. This comprehensive overview enables stakeholders to gain valuable insights into water usage patterns, allowing for more informed decision-making and strategic planning.

It aids in pinpointing areas for water conservation efforts, thereby enhancing efficiency and sustainability. The system's transparency and accountability in water distribution are unmatched, potentially revolutionizing water management practices.

In May '24 NTR Memorial Trust supplied 359 tankers, followed by 344 tankers in June 24, each with a capacity of 5000 litres. This equates to a daily water supply of 20 litres per family. Approximately 2,930 families have benefited from NTR Sujala Water program, underscoring its significant impact on community welfare and resource management.

FREE EDUCATION TO ORPHAN / UNDER PRIVILEGED CHILDREN

Education is not just about academic achievement; it is about opening doors to opportunities. For many children, especially those facing adversity, education serves as a beacon of hope. It equips them with essential skills, instills confidence, and fosters resilience. By investing in education, NTR Memorial Trust is investing in a brighter future for these children and, by extension, for their communities.

Mission

NTR Trust believes that every child deserves access to quality education, regardless of their background or circumstances. Its mission is to provide a nurturing learning environment for orphaned and underprivileged children, ensuring they receive the education they need to thrive academically and personally.

At Challapalli School, Trust offers free education and accomodation to 388 underprivileged students every year. To date, NTR Trust has extended free accommodation and education to a total of 1,938 orphaned and poor students.

Success Stories

NTR Memorial Trust is thrilled to share some inspiring success stories from its program participants. Children who once struggled in school are now excelling academically and discovering their passions.

Nutriful's Tribute to the Late Dr. Nandamuri Taraka RamaRao Garu on his 101st Birth anniversary with a Free Nutritionist Consultation Camp.

Nutriful successfully hosted an engaging online summer camp aimed at empowering young women to participate and win exciting prizes. The camp also delved into the health benefits of Infused, Detox, and Alkaline water, helping participants make informed hydration choices.

As summer heats up, tips were provided on how to overcome dehydration effectively, ensuring everyone stays refreshed and healthy.

Nutriful Team Focused on the Rainy Season: Overcoming Flu-related Diseases

The monsoon brings with it a host of challenges, particularly when it comes to health. The damp weather creates a perfect breeding ground for viruses and bacteria, increasing the likelihood of flu-related diseases. At Nutriful, our team has been diligently researching ways to prevent and mitigate these illnesses.

To stay ahead of the flu season, we recommend maintaining good hygiene practices, including regular handwashing and avoiding close contact with individuals who show symptoms of illness. Additionally, consider getting vaccinated against the flu if you haven't already. A healthy lifestyle, including adequate sleep, regular exercise, and stress management, can also bolster your immune system during this vulnerable time.

Community Milestone: 2.49 Lakh Users!

We are thrilled to announce that by the end of this month, our cumulative user base has reached an incredible 2.49 lakh! This milestone reflects the increasing awareness of preventive health care within our community. We are grateful for your trust and support as we continue to promote health and wellness.

Thank you for being part of the Nutriful family. Together, let's embrace the rainy season with health and vitality!
