NTR MEMORIAL TRUST TEAMS MOBILIZE FOR DISASTER RELIEF

On September 1st, 2024, Vijayawada city faced an unprecedented situation as heavy rains inundated the area, leading to devastating floods. In response, the NTR Memorial Trust, under the guidance of Managing Trustee, Smt. Nara Bhuvaneshwari garu, swiftly mobilized teams from different regions to provide essential disaster relief services.

The dedicated teams of Trust worked hard to provide critical aid to those impacted by the floods. It's widely recognized that during difficult periods, support is vital; teams are fully devoted to alleviating the challenges encountered by individuals and families within the society.

Immediate Response and Relief Efforts

Our response to the disaster was immediate. We prioritized delivering essential food supplies, clean drinking water, and medical assistance to the areas hit hardest by the floods. Our volunteers and staff collaborated with local authorities to ensure that help reached those in dire need without delay.

The relief efforts included:

- **Distribution of Food Supplies:** We provided nutritious meals and essential groceries to families who lost their homes and livelihoods due to the floods.
- **Provision of Clean Water:** Access to clean drinking water is critical during emergencies, and we worked diligently to supply safe water to the affected areas.
- **Medical Assistance:** Our teams included healthcare professionals who offered medical check-ups and distributed first-aid supplies to ensure community wellness.

Get Involved!

If you are inspired by our mission and want to contribute to our ongoing efforts, we welcome you to join NTR Memorial Trust !

Whether through volunteering your time, donating essential items, or providing financial support, every effort counts. Together can create a stronger, more resilient community.

HIGHLIGHTS

AMBULANCE INAUGURATION FOR NTR MEMORIAL TRUST BLOOD CENTRE, TIRUPATI

On September 25, 2024, the NTR Memorial Trust Blood Centre in Tirupati achieved a significant milestone with the inauguration of a new Ambulance. Smt. Nara Bhuvanewari garu flagged off the ambulance, marking an important step in enhancing the Centre's capacity to serve the community. This vital addition was made possible through a generous donation by Bhagiratha Chemicals & Industries Limited, reflecting their commitment to supporting healthcare initiatives.

On this occasion, Smt. Nara Bhuvanewari garu emphasized the importance of blood donation and its life-saving impact. She expressed heartfelt gratitude to all donors and partners who support the Trust's mission. She also reaffirmed the organization's dedication to increasing public awareness about blood donation and expanding their outreach through more blood donation camps.

The newly inaugurated ambulance is equipped with advanced facilities, ensuring the safe and efficient transportation of blood and medical supplies, thereby improving the Centre's responsiveness during emergencies.

NTR Memorial Trust encourages the community to join hands in promoting blood donation and participating in upcoming programs. With collective efforts, the organization aims to build a resilient community where no one faces shortage of blood in critical times.

INAUGURATION OF NTR MEMORIAL TRUST BLOOD CENTRE AND NTR SANJEEVANI FREE MOBILE BUS AT RAJAHMAHENDRAVARAM

On September 30, 2024, Smt. Nara Bhuvanewari garu inaugurated the NTR Memorial Trust Blood Centre and the NTR Sanjeevani Free Mobile Bus in Rajahmundry. This dual initiative marks a significant step in enhancing healthcare accessibility in the region. The event was also graced by Dr. Ravi Ram, founder of GSR, who played a key role in supporting these initiatives.

The Blood Centre will serve as a vital resource, encouraging voluntary blood donations and ensuring the availability of safe blood supplies. Alongside, the NTR Sanjeevani Free Mobile Bus will provide essential healthcare services to underserved communities, making medical care more accessible.

These initiatives reflect the Trust's commitment to improving community health. The public is encouraged to support these efforts by participating in blood donation drives and promoting healthcare accessibility for all.

SMT. NARA BHUVANESWARI GARU INAUGURATES FREE DSC TRAINING CLASSES IN KUPPAM

On October 22, 2024, Smt. Nara Bhuvaneshwari garu inaugurated the Free DSC Training Classes in Kuppam, fulfilling her promise made during the launch of the free sewing machine training center for women empowerment. This initiative underscores her commitment to creating opportunities for education and skill development within the community.

The Free DSC Training Classes aim to support aspiring teachers by equipping them with the resources and knowledge required to excel in the District Selection Committee (DSC) examinations. These exams play a pivotal role in securing teaching positions in government schools, making this program a vital step in empowering future educators.

The program offers:

- **Expert-Led Training:** Delivered by experienced instructors to ensure comprehensive exam preparation.
- **Customized Study Material:** Covering all relevant subjects and topics in detail.
- **Mock Exams and Practice Sessions:** To help candidates build confidence and refine their strategies.

While inaugurating the program, Smt. Nara Bhuvaneshwari garu highlighted the importance of education as a transformative force. She reaffirmed her vision of empowering individuals, particularly from underserved communities, to achieve their professional aspirations and contribute to society.

This initiative complements the NTR Memorial Trust's ongoing efforts to uplift communities through education, healthcare, and skill-building programs. It also aligns with the broader mission to empower individuals to lead self-reliant and impactful lives.

The Trust encourages aspiring teachers to enroll in the program and invites the community to support this endeavor. Together, initiatives like this pave the way for a brighter, more empowered future.

NTR MEMORIAL TRUST EXTENDS SUPPORT TO FLOOD RELIEF CENTERS

In response to the recent floods that impacted several villages, the NTR Memorial Trust, under the guidance of its Managing Trustee, Smt. Nara Bhuvaneshwari garu, extended crucial support to affected communities. Relief efforts were conducted in Kokkiligadda, Kothapalem, and Bobbarlanka villages, with NTR School, Challapalli, coordinating the distribution of essential supplies.

Recognizing the immediate needs of those displaced by the floods, the Trust ensured that food and clean drinking water were provided at the relief centers. Volunteers worked tirelessly to deliver these supplies, offering timely assistance to families who faced significant hardships due to the disaster.

This initiative reflects the NTR Trust's unwavering commitment to serving vulnerable communities during times of crisis. By addressing basic necessities such as nourishment and hydration, the Trust aims to alleviate the struggles of flood-affected residents and contribute to their recovery process.

Smt. Nara Bhuvaneshwari garu emphasized the importance of community solidarity and swift action during emergencies. She expressed her gratitude to the volunteers and staff of NTR School, Challapalli, for their dedication and efforts in implementing the relief program effectively.

NTR Memorial Trust remains steadfast in its mission to provide support during natural calamities and crises. This initiative is part of a broader effort to ensure that no individual is left without help during challenging times.

The Trust also encourages the community to unite in such efforts and contribute to the welfare of those in need.

Through such initiatives, NTR Memorial Trust continues to uphold its values of compassion and service, fostering hope and resilience in the face of adversity.

A MASTER OF TEACHING: MR. DAVID NANCHARAI AH CROWNED BEST TEACHER

The NTR Memorial Trust proudly congratulates Mr. David Nancharaiah, an esteemed English teacher at NTR High School in Gandipet, on being named Best Teacher by the Hyderabad Sahodaya Schools Complex.

This prestigious recognition highlights his dedication, innovative teaching methods, and passion for inspiring students. Mr. Nancharaiah's impact extends beyond the classroom, fostering language skills, critical thinking, and a love for literature in his students.

This award reflects his unwavering commitment to educational excellence and the supportive environment at NTR High School. The NTR Memorial Trust celebrates his achievement and commends his contributions to shaping young minds.

NCC CAMP : BUILDING LEADERSHIP AND TEAMWORK

The National Cadet Corps (NCC) continues to play a crucial role in shaping today's youth into responsible citizens of tomorrow. Participants from NTR Junior and Degree College recently attended an NCC camp, which provided them with valuable opportunities to develop leadership skills, foster teamwork, and build strong relationships.

The camp featured a variety of engaging activities designed to keep the students actively involved, promoting both personal and collective growth. Among these activities, obstacle training was a key highlight. This training is integral to the NCC program, aimed at enhancing physical fitness, boosting self-confidence, and refining a range of essential skills.

NTR Degree College students participated in this challenging yet rewarding obstacle training, further honing their resilience and teamwork capabilities. The experience not only prepared them for leadership roles but also contributed to their overall personal development.

EK BHARAT SHRESHTHA BHARAT PROGRAMME AT NTR SCHOOL, GANDIPET

On the occasion of Sardar Vallabhbhai Patel Jayanti, NTR School, Gandipet, hosted the Ek Bharat Shreshtha Bharat Programme on October 31. The event aimed to celebrate the spirit of unity, diversity, and national integration, in line with the vision of the Ek Bharat Shreshtha Bharat initiative.

The programme focused on promoting a deeper understanding and appreciation of India's rich cultural heritage, as well as fostering a sense of shared identity and responsibility among the students. Various activities, including cultural performances, discussions, and presentations, were organized to highlight the significance of national unity and the contributions of Sardar Vallabhbhai Patel in shaping the nation.

The students of NTR School actively participated in these events, reflecting the ideals of cooperation and harmony that Sardar Patel stood for. The event was a great success, reinforcing the importance of strengthening the bond between different regions of the country and contributing to a stronger, more united India.

BLOOD CENTRES

The NTR Memorial Trust Blood Centres are committed to fostering a culture of altruism and community engagement, through ongoing efforts, Trust aims to inspire more people to become regular blood donors, ensuring a steady supply of this vital resource

"Donating blood is one of the most impactful ways an individual can contribute to their community. It's a simple act that can make an immeasurable difference in the lives of those in need," stated a Donor, who is a longtime volunteer at the NTR Memorial Trust Blood Centers.

The Blood collected during Blood Donation Camps will go a long way in supporting Government Hospitals and Thalassemia patients, to help patients undergoing critical surgeries, accident victims, and those suffering from chronic illnesses. By replenishing the local blood supply, the NTR Memorial Trust Blood Centres are ensuring that essential medical services can continue to operate smoothly and effectively.

THALASSEMIA - THE SIGNS, SYMPTOMS AND TREATMENT OF THIS GENETIC BLOOD DISORDER

Thalassemia is a genetic blood disorder characterized by the body's inability to produce adequate amounts of haemoglobin, the protein in red blood cells that carries oxygen. This deficiency can lead to a variety of symptoms, including severe anaemia, fatigue, and other complications that may affect overall health.

It is essential for individuals diagnosed with Thalassemia to receive ongoing monitoring and treatment from healthcare providers to manage their condition effectively by transforming blood regularly on monthly basis.

NTR MEMORIAL TRUST Thalassemia Care Centre typically involves the treatment of blood transfusions.

Blood Transfusions: Regular blood transfusions are often necessary for patients to maintain healthy haemoglobin levels and prevent complications associated with anaemia.

Blood transfusions help replenish the body's supply of healthy red blood cells, reducing the risk of complications and improving overall health. The center's experienced medical team closely monitors each patient's progress, adjusting their treatment plan to ensure optimal outcomes.

NTR MEMORIAL TRUST'S THALASSEMIA CARE CENTRE COMMITMENT

Thalassemia is a Genetic Blood disorder that reduces the production of hemoglobin, a protein in red blood cells that carries oxygen throughout the body. Without proper treatment, Thalassemia can lead to severe anemia, organ damage, and other life-threatening complications. The NTR Memorial Trust Thalassemia Care Center is committed to ensuring the Thalassemia patients receive the specialized care they need to manage their condition and maintain their quality of life.

NTR Memorial Trust Blood Centres, are dedicated to providing comprehensive support to Thalassemia patients and their families. The centres are equipped to deliver life-saving blood units around the clock, ensuring that patients have timely access to the transfusions they need.

The unwavering commitment to the community means that they are always on standby to assist those who require their help. NTR Trust believes that every patient deserves the best chance at a healthy and fulfilling life. Therefore, they strive to maintain a high standard of care, ensuring that their services are both accessible and effective.

As the NTR Memorial Trust continue to raise awareness about Thalassemia and its impact on individuals and families, this encourages everyone to support those in need. Together, everyone can make a difference in the lives of Thalassemia patients.

BLOOD CENTRES

In addition to blood transfusions, the NTR Memorial Trust Thalassemia Care Center also provides comprehensive support services to help Thalassemia patients and their families navigate the challenges of managing this chronic condition. This includes access to counselling, educational resources, and support groups, empowering patients to take an active role in their care and find the emotional support they need.

"Thalassemia is a lifelong condition that requires diligent management, but with the right care and support, Thalassemia patients can live fulfilling healthy lives. Our team is dedicated to providing the highest quality of care, ensuring our patients receive the treatment and resources they need to thrive," said K. Rajendra Kumar IPS(Retd), CEO of the NTR Memorial Trust.

NTR SUJALA

In a world, where water scarcity is becoming an increasingly pressing issue, innovative solutions are essential for sustainable water management. We are excited to introduce the NTR Sujala Water Dispensing System, a groundbreaking approach that harnesses the power of digital and Internet of Things (IoT) technologies to transform the way water is managed, distributed, and consumed.

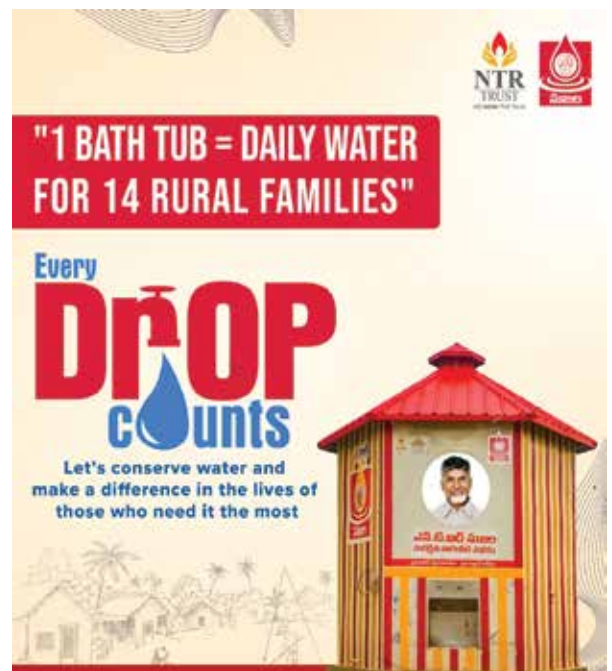

A New Era of Water Management

The NTR Sujala Water Dispensing System represents a significant leap forward in water management practices. By integrating advanced digital technologies with IoT capabilities, this system provides real-time monitoring and analysis of water production, distribution, dispensation, and consumption. This comprehensive overview enables stakeholders to gain valuable insights into water usage patterns, allowing for more informed decision-making and strategic planning.

It aids in pinpointing areas for water conservation efforts, thereby enhancing efficiency and sustainability. The system's transparency and accountability in water distribution are unmatched, potentially revolutionizing water management practices.

In September '24 NTR Memorial Trust supplied 200 tankers, followed by 314 tankers in October' 24, each with a capacity of 5000 litres. This equates to a daily water supply of 20 litres per family. Approximately 4,284 families have benefited from NTR Sujala Water program, underscoring its significant impact on community welfare and resource management.

FREE EDUCATION TO ORPHAN / UNDER PRIVILEGED CHILDREN

Education is not just about academic achievement; it is about opening doors to opportunities. For many children, especially those facing adversity, education serves as a beacon of hope. It equips them with essential skills, instills confidence, and fosters resilience. By investing in education, NTR Memorial Trust is investing in a brighter future for these children and, by extension, for their communities.

Mission

NTR Trust believes that every child deserves access to quality education, regardless of their background or circumstances. Its mission is to provide a nurturing learning environment for orphaned and underprivileged children, ensuring they receive the education they need to thrive academically and personally.

At Challapalli School, Trust offers free education and accomodation to 388 underprivileged students every year. To date, NTR Trust has extended free accommodation and education to a total of 1,938 orphaned and poor students.

Success Stories

NTR Memorial Trust is thrilled to share some inspiring success stories from its program participants. Children who once struggled in school are now excelling academically and discovering their passions.
