HIGHLIGHTS

Inspiring Young Minds through Value-Based Engagement

Smt. Nara Bhuvaneswari Garu, Managing Trustee of NTR Memorial Trust, visited Shree Swaminarayan Gurukul International School, Hyderabad, where she engaged in a warm and meaningful interaction with students.

During the visit, she addressed the students and shared inspiring thoughts that highlighted the importance of integrity, discipline, compassion, and lifelong learning. Her words resonated deeply with the students, motivating them to pursue excellence while remaining grounded in strong moral values.

Visited Shree Swaminarayan Gurukul International School, Hyderabad.

NTR TRUST
IFE MORA THE YADO

“ She interacted with the students, shared motivational insights, and observed their disciplined, seva-oriented lifestyle. ”

Her visit reinforces NTR Trust's mission of inspiring young minds and nurturing values, learning, and holistic growth.

The visit also provided an opportunity for meaningful dialogue between the students and the Trust, reinforcing the importance of mentorship and positive role models in education. Such interactions reflect NTR Memorial Trust's sustained efforts to promote value-based education, supporting institutions that nurture intellectual development while instilling strong moral foundations. Through continued engagement with educational institutions, the Trust remains committed to empowering the next generation to become responsible, compassionate, and socially conscious citizens.

HIGHLIGHTS

One Nation – One Purpose

Honouring the Spirit of National Unity Day

On 31st October, in observance of National Unity Day, members of NTR Memorial Trust came together to commemorate the occasion and reaffirm their commitment to the ideals of unity, integrity, and national solidarity.

As part of the observance, Trust members collectively took a pledge to uphold the values of national unity and to contribute actively toward building a peaceful, inclusive, and harmonious society. The programme highlighted the importance of shared responsibility and collective effort in strengthening the nation's social fabric.

The observance served as a meaningful reminder of the vision of unity and integration championed by Sardar Vallabhbhai Patel, and reinforced the belief that a strong nation is built on mutual respect, cooperation, and a common purpose. Through such initiatives, NTR Memorial Trust continues to promote civic consciousness and nation-building values that inspire a united India.

NTR Memorial Trust CEO, Shri K. Rajendra Kumar IPS (Retd) administrated the pledge to all the Trust employees

BLOOD CENTRES

STRENGTHENING BLOOD SERVICES THROUGH COMMUNITY ENGAGEMENT AND EXPERTISE

NTR Memorial Trust Blood Centres continue to serve as a vital pillar in ensuring timely and safe access to blood for those in critical need.

With a strong network and an unwavering commitment to public service, the Trust organizes regular voluntary blood donation camps and works closely with hospitals and healthcare institutions. These efforts provide life-saving support to Thalassemia patients, accident victims, individuals undergoing surgeries, and many others.

ADVANCING SAFE BLOOD PRACTICES

In its continued efforts to uphold the highest standards in transfusion safety, NTR Memorial Trust conducted an advanced training session on ABO blood grouping and discrepancies at its Hyderabad Headquarters. The session aimed to strengthen technical knowledge and enhance accuracy in blood testing procedures.

The session was expertly guided by Dr. Pragathi Naik, Transfusion Consultant at AIG Hospitals, who provided in-depth insights into the scientific principles, practical challenges, and critical importance of accurate blood grouping in transfusion medicine. The program emphasized best practices, error prevention, and the role of continuous learning in ensuring patient safety.

By organizing such capacity-building initiatives, NTR Memorial Trust reaffirms its commitment to continuous learning, quality assurance, and patient safety in blood services, contributing meaningfully to the healthcare ecosystem.

"A single act of donating blood can create a ripple of hope—it's one of the simplest yet most meaningful ways to make a difference in someone's life," said by a dedicated long-term blood donor at NTR Memorial Trust."

As a token of gratitude for their life-saving contributions, voluntary blood donors were also provided with free blood units, reaffirming the Trust's recognition of their selfless service.

Thalassemia patients, who require regular and lifelong blood transfusions, received vital support through this initiative, alleviating financial hardship while ensuring continuity of treatment.

Likewise, government hospitals were supplied with free blood units to meet emergency and routine care demands—particularly for underserved communities.

CARING BEYOND TRANSFUSIONS : NTR MEMORIAL TRUST'S COMMITMENT TO THALASSEMIA WARRIORS

Thalassemia is a Genetic Blood Disorder that affects the body's ability to produce hemoglobin, leading to life-threatening anemia. Children diagnosed with Thalassemia Major often require lifelong blood transfusions, iron chelation therapy, and regular medical supervision. The treatment is expensive and emotionally draining, especially for families from disadvantaged backgrounds.

NTR Memorial Trust has stepped forward as a lifeline for hundreds of Thalassemia affected families, ensuring that no child is denied care due to financial constraints.

What NTR Memorial Trust Provides ??

1. Free Blood Transfusions

NTR Memorial Trust operates advanced blood centres that consistently supply safe, high-quality blood units free of cost. These transfusions are critical for the survival of children with Thalassemia, many of whom require blood every few weeks to maintain basic health and organ function.

2. Essential Medication and Ongoing Treatment

Thalassemia management involves more than just transfusions. To address iron overload from repeated transfusions, iron chelation therapy is essential. NTR Memorial Trust provides these expensive medications and follow-up tests free of charge, ensuring children receive comprehensive care.

3. Family-Centered Support

The Trust's approach is holistic—it not only offers medical care but also educates families, conducts counseling sessions, and builds awareness on prevention and early diagnosis. By empowering care givers, the Trust strengthens the long-term support system for each child.

Together, We Can Save Lives

The fight against Thalassemia is ongoing—but through timely interventions, medical support, and community participation, NTR Memorial Trust is helping rewrite the story for many young lives across Andhra Pradesh and Telangana States.

Give Hope, Save a Life Fight Thalassemia

At NTR Trust, we stand for awareness, care, and compassion.

- ✓ Early detection through screening
- ✓ Regular blood transfusions
- ✓ Spreading awareness to prevent new cases

Your awareness today can
save generations tomorrow.

Moinabad Mandal, R.R. Dist., Telangana

NTR Junior & Degree College is set to host one of the most anticipated events of the year — the Inter-School Sports & Cultural Meet 2025, scheduled to take place on November 1st, 2nd, and 3rd.

The three-day event will bring together schools from across Hyderabad, creating a vibrant platform for young talents to showcase their skills in both sports and cultural arenas. The meet will feature a wide range of activities including Kho-Kho, Kabaddi, athletics, and various cultural performances, fostering healthy competition, creativity, and team spirit among participants.

With the campus expected to resonate with enthusiasm, cheers, and celebration, the Inter-School Sports & Cultural Meet aims to promote physical fitness, cultural expression, and camaraderie among students.

INSPIRING MINDS TOWARDS A SUSTAINABLE FUTURE

On September 3rd, NTR Educational Institutions hosted an insightful guest lecture on "Environment & Sustainability", delivered by Dr. W. G. Prasanna Kumar garu.

The session provided students with valuable, actionable insights on environmental protection and sustainable practices. Through engaging discussions and practical ideas, the lecture inspired students to become responsible eco-conscious citizens and future leaders committed to building a sustainable world.

STHREE SHAKTI

Empowering Women for Self-Reliance: Skill Development Initiatives

As part of its mission to uplift communities through sustainable development, NTR Memorial Trust has initiated women empowerment programs in Kuppam, aimed at fostering economic independence and self-reliance among women.

To date, 656 women have been trained in diverse vocational skills including tailoring, jute bag making, Lucknow Chikan Kari embroidery, silk thread bangle making, and Maggam work.

At present, 147 women are actively undergoing training, gaining hands-on experience through practical, industry-relevant courses. These programs are designed to equip participants with market-ready skills that support self-employment, entrepreneurship, and sustainable income generation.

These programs are designed not only to provide vocational training but also to build confidence & leadership in participants, ensuring long-term empowerment.

By creating access to such skill-based opportunities, NTR Memorial Trust continues to strengthen its commitment to inclusive growth and gender equality.

The initiative has been well-received by the local community, with many women expressing enthusiasm for turning their skills into small businesses and cooperatives in the future.

#WomenEmpowerment

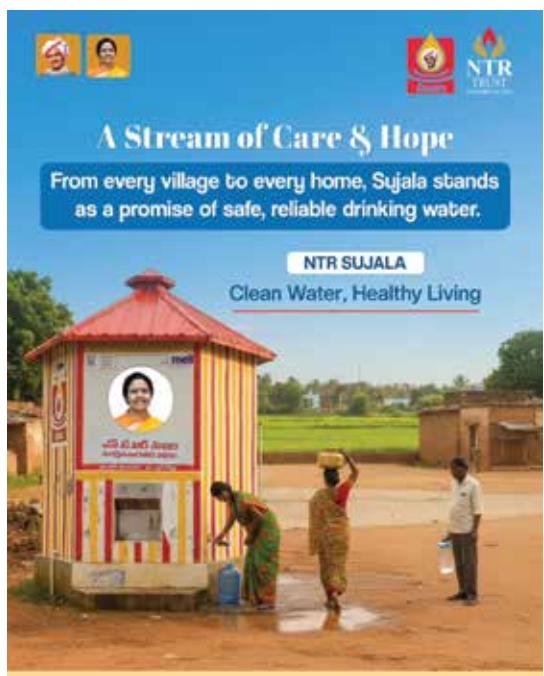

A platform for women to Learn, Grow, and Lead.

Through training in handlooms, silk thread bangles, jute bag making, and handicraft skills, we are helping women turn their skills into livelihoods and confidence into independence.

NTR SUJALA: A LIFELINE OF SAFE DRINKING WATER FOR COMMUNITIES IN NEED

Access to safe drinking water continues to be a pressing concern in many underserved communities. In response to this critical need, NTR Memorial Trust initiated NTR Sujala – Safe Drinking Water Programme, a community-centric intervention aimed at providing dependable access to clean and potable water for vulnerable populations.

More than a water distribution initiative, NTR Sujala serves as an essential support system for families facing acute water scarcity and contamination risks. Anchored in a strong commitment to public health and human dignity, the programme addresses the gap between limited availability and daily necessity by ensuring a consistent supply of purified drinking water to high-need areas.

During the intensified outreach phase in **September and October 2025**, the programme delivered **514 water tankers**, comprising **200 tankers in September and 314 in October**, each with a capacity of **5,000 litres**. This effort enabled an average distribution of **20 litres** per family per day, directly benefiting over **4,284 families** across multiple underserved locations. For many households, this support extended beyond water access contributing to improved health, stability, and a renewed sense of security.

The effectiveness of NTR Sujala is driven by systematic planning, targeted allocation based on ground-level needs, and disciplined implementation. By prioritising communities most in need, the programme reinforces its broader objective of strengthening community well-being and protecting lives.

Amid escalating climate challenges and mounting pressure on water resources, NTR Sujala stands as an example of a sustainable humanitarian intervention guided by compassion, operational rigour, and a long-term vision for water security.

Every drop holds value, and through NTR Sujala, each drop is delivered with intention and impact.

HEALTH CAMPS

REACHING COMMUNITIES WITH REGULAR HEALTH CHECK-UP SERVICES

As part of its unwavering commitment to community well-being, NTR Memorial Trust continues to organize Monthly Health Check-up Camps across Andhra Pradesh and Telangana. These camps are a vital initiative aimed at making quality healthcare services accessible to underserved communities, regardless of economic background.

Each health camp offers comprehensive medical services, including general health check-ups, screenings for common illnesses, blood pressure and sugar level monitoring, and consultations with qualified doctors. Where needed, free medications are also provided.

By proactively addressing health issues and raising awareness about preventive care, NTR Memorial Trust is not only treating ailments but also empowering individuals to take charge of their health. The camps are well-received by the public and have seen growing participation month after month.

FREE HEALTH SCREENINGS

These camps provide a wide range of medical screenings and consultations to underserved communities at no cost. Attendees benefit from comprehensive evaluations in areas such as Diabetology, Cardiology, Pulmonology, Ophthalmology, Gynaecology, General Medicine, Dermatology, ENT (ear, nose, & throat), Orthopaedics, and more.

HEALTH CAMPS

Additionally, routine health checks including blood pressure monitoring and assessments of height, weight, and BMI are conducted.

"NUTRIFUL" – A STEP TOWARDS SMARTER, HEALTHIER LIVING

A dedicated team of experienced doctors and specialists oversee these services, ensuring high standards of care. These camps not only help identify potential health issues at an early stage but also educate individuals on managing their well-being, empowering them to make informed decisions about their health.

NTR SANJEEVANI AROGYA KENDRAM AND AROGYA RATHAM

NTR Sanjeevani Arogya Kendram and NTR Arogya Rathams are flagship healthcare initiatives of NTR Memorial Trust, aimed at delivering quality medical services to underserved and remote communities across Andhra Pradesh and Telangana.

RURAL HEALTH CLINIC: NTR SANJEEVANI FREE CLINICS

In an effort to address the healthcare needs of rural communities, NTR Memorial Trust has established rural health clinics in underserved areas. These clinics offer comprehensive primary healthcare services, including specialized care for chronic diseases, aiming to bridge the gap between rural communities and quality healthcare services.

MOBILE MEDICAL UNITS

NTR Sanjeevani Free Clinic operates Mobile Medical Units equipped with advanced facilities, serving remote areas. A dedicated team of highly skilled Doctors and Nurses offers comprehensive medical check-ups, treatment, and essential medication free of charge to patients. Their mission is to ensure that individuals in the most underserved communities receive the healthcare they rightfully deserve.

FREE EDUCATION TO ORPHAN / UNDER PRIVILEGED CHILDREN

Education is a powerful catalyst for change. Beyond academics, it shapes character, builds confidence, and unlocks opportunities that transform lives. For children facing social and economic challenges, access to education becomes a pathway to hope, dignity, and a better future. By enabling learning, the initiative strengthens not only individual lives but also the communities they belong to.

Mission

The mission is grounded in the belief that every child, irrespective of background or circumstance, deserves access to quality education. The focus is on creating a safe, supportive, and inclusive learning environment where orphaned and underprivileged children can grow academically, emotionally, and socially.

Through sustained educational support, the programme aims to empower children with knowledge, values, and life skills that prepare them for independent and meaningful lives.

At Challapalli School, free education and residential facilities are provided to 388 underprivileged children every year. To date, thousands of orphaned and economically disadvantaged students have benefitted from free education and accommodation, enabling them to pursue their studies without financial barriers.

Success Stories

The impact of this initiative is reflected in the journeys of its students. Children who once faced uncertainty and limited access to learning are now demonstrating academic progress, self-confidence, and ambition. Many have gone on to identify their strengths, pursue higher education, and aspire toward professional careers—standing as living examples of how education can transform lives.

"NUTRIFUL" – A STEP TOWARDS SMARTER, HEALTHIER LIVING

As part of its commitment to promoting preventive health and overall well-being, the organisation is pleased to introduce "Nutriful", a digital wellness initiative designed to help individuals make informed and healthier lifestyle choices through personalised nutrition insights.

To extend this benefit to employees, the organisation is planning to conduct a "Nutriful Health Camp" at various workplaces — completely free of cost.

The camp is designed to engage and empower participants through:

On-site health screening and personalised nutrition consultation

Exclusive access to the Nutriful App, featuring AI-driven food analysis and daily wellness tracking

Expert-led sessions on fitness, nutrition, and preventive health practices

The banner for the "Nutrition Month Contest" features the NTR TRUST logo and the Nutriful logo. The main title is "Nutrition Month Contest" with the tagline "Record • Share • Win". The theme is "Healthy Food, Healthy Life". A call to action encourages participants to "Show your creativity! Make a short video on food recipes". The prize is a "₹500 Amazon Gift Voucher". The last date for entries is "30th September". The banner ends with the slogan "Eat smart, stay fit & inspire others!".

A significant milestone was achieved in September, with cumulative registrations crossing 6 lakh, reflecting sustained growth and increased public participation.

As part of Nutrition Month, a series of nutrition awareness activities were conducted during September to promote healthy dietary practices and public awareness.

A Nutriful awareness camp set up at Mangalagiri contributed to beneficiary enrolment, with 158 registrations recorded during the month.

During the month, re-consultations were provided at the Thalassemia Care Centre, ensuring continuity of care and follow-up support.

To enhance operational efficiency and beneficiary communication, a new calling software was successfully implemented, streamlining follow-ups and data management.
