From the CEO's Desk

"True service begins when we see another person's struggle as our responsibility and their hope as our purpose."

At NTR Memorial Trust, we believe service cannot be momentary. Support may answer a need once, but when that need returns, only commitment sustains.

Our approach is built on a simple yet powerful belief: Service should not be temporary. It should be constant, dependable, and always available.

We are committed to building INSTITUTIONALISED SUPPORT , systems that are structured, reliable, and designed to serve people.

When a child with Thalassemia walks in, care is already waiting. Through the NTR Thalassemia Care Centre, we provide regular blood transfusions, medicines, and continuous medical support, ensuring not just survival, but a healthier future.

When a patient needs blood in a critical moment, there is no delay. Through our NTR Memorial Trust Blood Centres, we ensure timely availability of safe blood.

When a mother searches for safe drinking water, Sujala is ready. Through NTR Sujala, we provide access to purified drinking water at an affordable cost, extending support even to underserved communities.

When a child seeks education without support, we offer more than schooling. Through NTR Schools at Gandipet and Challapalli, we provide education, values, and opportunity. At Challapalli, free education gives children not just learning, but direction in life.

When individuals strive for financial independence, we stand beside them. Through Shree Shakti Skill Development centres and Shree Shakti Hastakala, we empower women with skills, livelihoods, and the confidence to build their own future.

These are not one-time efforts. They are systems designed to endure. At NTR Memorial Trust, help is not occasional – it is PERENNIAL. Always present. Always prepared. Always within reach.

As CEO of NTR Memorial Trust, I see every initiative as a responsibility and a promise – to serve with integrity, empathy, and dedication. Guided by the vision of Smt. Nara Bhuvaneshwari Garu and inspired by the legacy of Shri Nandamuri Taraka Rama Rao Garu (NTR), we remain committed to transforming lives and creating lasting change.

"The strongest legacy is not what we leave behind, but the lives we uplift and the hope we create for generations to come."

K. Rajendra Kumar, IPS (Retd.),
Chief Executive Officer

HIGHLIGHTS

Carrying Forward the Legacy of Shri Nandamuri Taraka Rama Rao Garu on his 103rd Birth Anniversary Through Service

May 28th, 2026 | NTR Trust Bhavan, Hyderabad

“మనిషి జీవితానికి అర్థం, అతను ఇతరుల కోసం చేసిన సేవలననే ఉంటుంది.”
("The true meaning of a person's life lies in the service they render to others.")

These timeless words reflect the very essence of Dr. Nandamuri Taraka Rama Rao (NTR) Garu's life—a life dedicated to serving people, uplifting the underprivileged, and standing as a symbol of self-respect, compassion, and commitment.

On the 103rd Birth Anniversary of NTR Garu, NTR Memorial Trust paid heartfelt tributes by transforming remembrance into meaningful acts of service. Rather than being limited to memories, the occasion became a celebration of his ideals through initiatives that touched countless lives.

Across its various initiatives—including NTR Sanjeevani Clinics, NTR Educational Institutions, NTR Sujala, and NTR Memorial Trust Blood Centres—the Trust organized blood donation drives, free mega medical camps, health awareness programmes, and community service activities, carrying forward NTR Garu's vision of serving society with compassion and dedication.

HIGHLIGHTS

Managing Trustee Smt. Nara Bhuvaneswari Garu paid floral tributes to NTR Garu's statue, inaugurated the free medical camp, and visited the blood donation camp, where she personally appreciated the selfless donors who came forward in support of this noble cause. She was joined by Shri K. Rajendra Kumar, IPS (Retd.), CEO, Shri Adusupalle Gopi, COO, along with members of the NTR Memorial Trust family.

Remembering NTR Garu's extraordinary journey, Smt. Bhuvaneswari Garu highlighted that his unwavering commitment towards the welfare of the underprivileged and his efforts to uphold the dignity and self-respect of Telugu people continue to inspire every initiative of the Trust. She expressed her heartfelt gratitude to every blood donor, volunteer, healthcare professional, and supporter who contributed to keeping his legacy of service alive.

The commemorative programmes stood as a powerful reminder that NTR Garu's legacy is not only preserved through memories but lives on through every act of kindness, every life touched, and every service rendered to society. His vision continues to guide NTR Memorial Trust in its mission of building healthier, stronger, and more empowered communities.

Beyond a Birthday: A Celebration of Compassion, Care, and Hope with Smt. Nara Bhuvaneswari Garu

June 20th, 2026 | NTR Trust Thalassemia Care Centre, Hyderabad

For Smt. Nara Bhuvaneswari Garu, service has never been an obligation—it is a quiet, enduring commitment shaped by compassion and a deep faith in the dignity of every life.

Through her work with the NTR Memorial Trust, she has gently but powerfully touched countless lives, turning care into hope and intent into meaningful change.

Her birthday, therefore, is not merely a date—it is a reflection of lives uplifted, of smiles restored, and of hope carried forward. It

stands as a reminder that the trust celebration lies in giving, in sharing, and in leaving the world kinder than we found it.

This year, she chose to spend her special day with some of the NTR Trust's bravest little fighters—children living with Thalassemia. In their laughter, in their unguarded joy, and in the warmth of that shared moment, the celebration found its deepest meaning—a tender, unforgettable tribute to resilience, belonging, and life itself.

The event was attended by Shri Dr. M. Sambasiva Rao, Whole Time Director, Heritage Foods Limited, Shri K. Rajendra Kumar, IPS (Retd.), CEO, Shri Adusupalle Gopi, COO, and members of the NTR Memorial Trust family, who joined in making the day a heartfelt celebration of compassion and humanity.

HIGHLIGHTS

With thoughtful gift hampers, chocolates, and a meal shared together, Smt. Bhuvaneswari ensured that every child felt valued, cared for, and loved. Beyond the gifts, it was her presence—the time spent listening, encouraging, and sharing moments with each child—that made the celebration truly special.

This heartfelt gesture reflected the true spirit of NTR Memorial Trust—service with compassion, leadership with empathy, and every milestone dedicated to bringing hope to those who need it most. Because the most meaningful celebrations are not remembered for the candles that were lit, but for the lives that were brightened, the smiles that were created, and the hope that was shared.

International Yoga Day Celebration at NTR Memorial Trust, Hyderabad

June 21st, 2026 | NTR Trust Headquarters, Hyderabad

“Yoga is the foundation of balance – between body, mind, and purpose.”

On the occasion of the 12th International Yoga Day, the NTR Memorial Trust organised a yoga session at NTR Memorial Trust headquarters in Hyderabad, reaffirming its continued commitment to promoting holistic health and well-being.

The programme was attended by the Trust’s Chief Operating Officer, Shri Adusupalle Gopi, and Yoga Instructor Ms. Lakshmi Shyamala, along with members of the Trust’s staff. The session witnessed enthusiastic participation from over 100 individuals, reflecting a shared commitment towards building a culture of wellness within the organisation.

HIGHLIGHTS

The session included guided yoga practices focusing on posture, breathing techniques, and mindfulness, aimed at enhancing both physical fitness and mental resilience. Addressing the participants, it was highlighted that yoga is a powerful tool in managing stress, improving overall health, and fostering inner balance in today's fast-paced lifestyle.

Participants were encouraged to adopt yoga as a part of their daily routine and to dedicate at least one hour each day to its practice, reinforcing the importance of preventive healthcare and a disciplined, healthy way of life.

This initiative reflects the NTR Memorial Trust's broader commitment to advancing preventive healthcare and promoting well-being through sustained, community-focused interventions.

“Building a healthier society begins with nurturing healthier individuals – every single day.”

NTR Trust Thalassemia Run Hyderabad 2026: Running for Awareness, Hope and Life

MAY 10th, 2026 | NTR Trust Thalassemia Care Centre, Hyderabad

That day, people did not run merely to complete kilometres, not to chase medals, or to achieve personal milestones. They ran for a purpose far greater than themselves, for the children living with Thalassemia, for spreading awareness, and for giving hope to countless families. Every step reflected compassion, every stride symbolized solidarity, and every participant became a champion for a cause that truly matters.

The NTR Trust Thalassemia Run – Hyderabad 2026, held at Jalavihar, Necklace Road, witnessed overwhelming participation from citizens, corporates, volunteers, healthcare professionals, and fitness enthusiasts, all coming together with a shared commitment to create awareness about Thalassemia and support children battling the condition. The event brought together people from different walks of life, united by one powerful message: awareness, empathy, and collective action can make a meaningful difference in the lives of children and families affected by Thalassemia.

Beyond the energy and enthusiasm of the run, the event served as an important platform to highlight the challenges faced by individuals living with Thalassemia. Children with Thalassemia often depend on regular blood transfusions and continuous medical care to lead healthier lives. Through this initiative, NTR Trust sought to bring greater public attention to their needs while encouraging society to come forward and support them in every possible way.

HIGHLIGHTS

The 10K, 5K, and 3K runs were flagged off by Smt. Nara Bhuvaneshwari Garu in the presence of eminent dignitaries, including renowned cricketer Ms. Mithali Raj and Shri Chamalla Malla Reddy, inspiring participants to unite for a healthier, more compassionate society. Their presence added further momentum to the cause and encouraged participants to see the run not simply as a fitness event, but as an opportunity to stand in solidarity with children and families affected by Thalassemia.

Ahead of the main event, the Thalassemia Run Expo was inaugurated at NTR Trust Bhavan by Managing Trustee Smt. Nara Bhuvaneshwari Garu, Shri Ravideep Singh Sahi, Additional Director General, CRPF (Southern Sector), Shri K. Rajendra Kumar, IPS (Retd.), CEO, Shri A. Gopi, COO, along with the organizing team. The expo helped build momentum ahead of the run and provided an important space for participants, volunteers, and supporters to come together around the cause, understand its significance, and become part of the larger awareness movement.

The spirit of the event extended far beyond the running track. Volunteers, organizers, healthcare professionals, corporates, and citizens contributed their time, energy, and support to make the initiative impactful. The collective participation demonstrated how a community can come together when united by a cause that goes beyond individual achievements. Every runner carried the message of Thalassemia awareness along the route, helping the cause reach a wider audience and encouraging more people to understand the importance of support and voluntary blood donation.

More than a marathon, the NTR Trust Thalassemia Run became a powerful community movement, raising awareness about Thalassemia, encouraging voluntary blood donation, mobilizing public support, and inspiring collective action to improve the lives of children who depend on regular blood transfusions.

"The event reaffirmed that real victories are not measured by the distance covered, but by the lives touched. Together, every step became a step towards awareness, hope, and a brighter future for children living with Thalassemia."

NTR GEST 2026: Empowering Young Women to Achieve Their Civil Services Aspirations

NTR JUNIOR & DEGREE COLLEGE FOR WOMEN

"Your Talent... Our Responsibility!"

NTR GEST 2026 offers a unique opportunity for meritorious girl students aspiring to excel in prestigious competitive examinations such as the Civil Services and CAT, while pursuing their undergraduate education.

The programme is designed to provide quality higher education along with structured academic guidance, mentorship, and preparation support, enabling students to work towards ambitious career goals with confidence.

As part of the initiative, 25 meritorious girl students will be selected based on merit and awarded special scholarships to support their academic journey.

Eligibility: Girls appearing for the Intermediate Second Year or CBSE Class XII examinations in 2026.

The entrance examination was conducted on 14 June 2026 at NTR Junior & Degree College for Women, Chikur, Hyderabad.

Through NTR GEST, NTR Trust continues its commitment to nurturing talented young women by providing them with the resources, guidance, and opportunities needed to build successful careers and become future leaders.

International Yoga Day: Promoting Wellness for a Healthier Tomorrow

June 21st, 2026 | NTR Educational Institutions, Gandipet, Hyderabad

"Yoga is the journey of the self, through the self, to the self."

The Gandipet Campus came alive with enthusiasm as students, faculty, and staff of NTR Educational Institutions celebrated International Yoga Day, reaffirming the importance of holistic well-being and a balanced lifestyle.

Addressing the gathering, Shri K. Rajendra Kumar, IPS (Retd.), CEO, NTR Memorial Trust, encouraged participants to embrace yoga as a lifelong practice that nurtures physical fitness, mental clarity, emotional stability, and overall wellness.

The celebration reflected the Trust's commitment to promoting preventive healthcare and healthy living, inspiring everyone to incorporate yoga into their daily routines for a healthier and more mindful future.

Yoga is not just about achieving perfect poses; it is about finding the right alignment between the body, mind, and inner self. It teaches us balance, patience, discipline, and awareness, reminding us that true wellness comes from harmony within. Through yoga, we move beyond physical practice towards a journey of self-discovery and holistic well-being.

Free Education to Orphan/Under Privileged Children

“When we educate a child, we do not just change one life; we empower an entire future.”

Education is more than a pathway to academic success — it is a powerful tool that transforms dreams into possibilities. For children facing difficult circumstances, education becomes a source of hope, confidence, and the foundation for a better tomorrow.

Through its commitment to inclusive education, NTR Memorial Trust provides opportunities for orphaned and underprivileged children by creating a nurturing environment where they can learn, grow, and realise their potential. Education equips them with knowledge, essential life skills, confidence, and resilience to overcome challenges and build a brighter future.

At the NTR Trust School, Challapalli, 388 children are supported every year with holistic care and quality education in a safe and encouraging academic environment. Since its inception, 2,114 students have benefited from this initiative, creating a strong foundation for their personal growth and future aspirations.

Extending its commitment beyond direct schooling, NTR Trust has provided scholarships amounting to ₹3.92 crores to economically disadvantaged students pursuing education across various institutions. As part of its special focus on empowering girls through education, ₹2.86 crores in scholarships have been awarded to 372 meritorious girl students studying at NTR Junior and Degree College for Women.

Through these initiatives, NTR Trust continues to ensure that financial limitations do not become barriers to education and opportunity.

“A child with education carries not just a book, but carries the power to rewrite their destiny.”

From Adversity to Aspiration: Chandra Sekhar's Dream of Serving the Nation

For young Chandra Sekhar Y.L., life has presented challenges from an early age. Having lost both his parents, he is being supported by his grandfather, Naga Bhushanam, who works as a farmer. Coming from a financially disadvantaged family, Chandra Sekhar understands the value of education and the opportunities it can create.

With the support of the NTR Memorial Trust, Chandra Sekhar has continued his education and secured admission to Class VI. Despite the difficulties he has faced, he remains focused on his studies and looks ahead with determination.

His ambition is to become an Army Officer and serve the nation. His journey is a reminder that circumstances need not define a child's future when education, encouragement and the right support are available.

NTR Memorial Trust is proud to support young students like Chandra Sekhar as they pursue their dreams and build a brighter future

NTR Memorial Trust Organises Free Mega Medical and Blood Donation Camps at Various Places on the Birth Anniversary of Dr. Nandamuri Taraka Rama Rao Garu

On the occasion of the birth anniversary of Dr. Nandamuri Taraka Rama Rao (NTR) Garu, NTR Memorial Trust organised Free Mega Medical and Blood Donation Camps across various locations such as Rajamahendravaram, Visakhapatnam, and Tirupati, reaffirming its commitment to public welfare, accessible healthcare, and community service.

With the vision of protecting and promoting public health, the camps offered a wide range of free health check-ups and medical consultations by renowned doctors across various specialities. These initiatives aimed to provide timely healthcare support, promote preventive health awareness, and make essential medical services accessible to people in need.

Held on 28 May 2026, the programmes reflected NTR Memorial Trust's continued mission of taking quality healthcare services closer to the people and serving society with compassion and dedication. NTR Memorial Trust extends its heartfelt thanks and gratitude to all the blood donors who came forward and contributed to this noble cause. The Trust also expresses its sincere gratitude to the doctors, medical professionals, volunteers, staff, supporters, and well-wishers whose valuable efforts helped make these camps a success.

Through such initiatives, NTR Memorial Trust continues to honour the legacy of Dr. Nandamuri Taraka Rama Rao Garu by working towards a healthier and stronger society and encouraging people to come together in the service of humanity.

Strengthening Lifesaving Care: Tata Trusts CEO Visits NTR Blood Storage Centre, Tirupati.

The NTR Blood Storage Centre at Tata Cancer Hospital, Tirupati, continues to serve as a vital lifeline for cancer patients by ensuring uninterrupted access to blood and blood components, providing timely support when it matters the most.

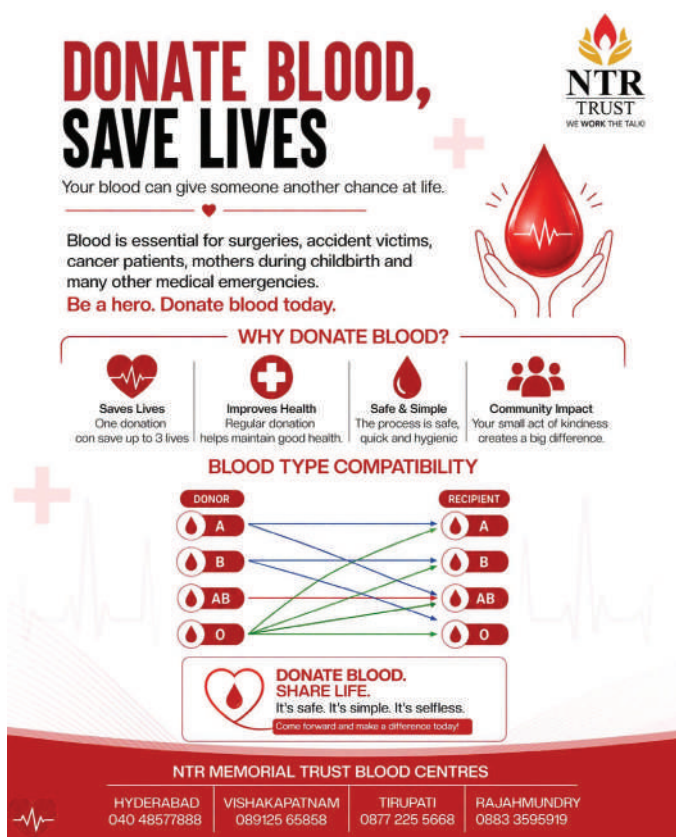

Mr. Siddharth Sharma, CEO, Tata Trusts, visited the facility and appreciated the dedicated efforts of the NTR Memorial Trust team in delivering reliable, round-the-clock blood storage services. His visit reaffirmed the importance of partnerships in strengthening healthcare infrastructure and improving patient care.

Like two boats sailing across different waters, Tata Trusts and NTR Memorial Trust may have their own journeys, their own routes, and their own ways of serving society. Yet, both boats are steered by the same purpose—to reach the shore of humanity, where every life matters and every person receives care and support. Together, guided by compassion and service, they continue to sail towards a common destination: a healthier, stronger, and more hopeful society.

BLOOD CENTRES

Honouring the LifeSavers : Recognition for Voluntary Blood Donors

DONATE BLOOD, SAVE LIVES

Your blood can give someone another chance at life.

Healing Beyond Transfusions: NTR Memorial Trust's Enduring support to Thalassemia-Affected children

Thalassemia is a chronic and Genetic Blood Disorder that affects the body's ability to produce hemoglobin, leading to life-threatening anemia. Children diagnosed with Thalassemia Major often require lifelong blood transfusions, iron chelation therapy, and regular medical supervision. The treatment is expensive and emotionally draining, especially for families from disadvantaged backgrounds.

Understanding this pressing need, NTR Memorial Trust has stepped forward as a lifeline for hundreds of Thalassemia-affected families, ensuring that no child is denied care due to financial constraints.

What NTR Memorial Trust Provides

1. Free Blood Transfusions

NTR Memorial Trust operates advanced blood centres that consistently supply safe, high-quality blood units free of cost. These transfusions are critical for the survival of children with Thalassemia, many of whom require blood every few weeks to maintain basic health and organ function.

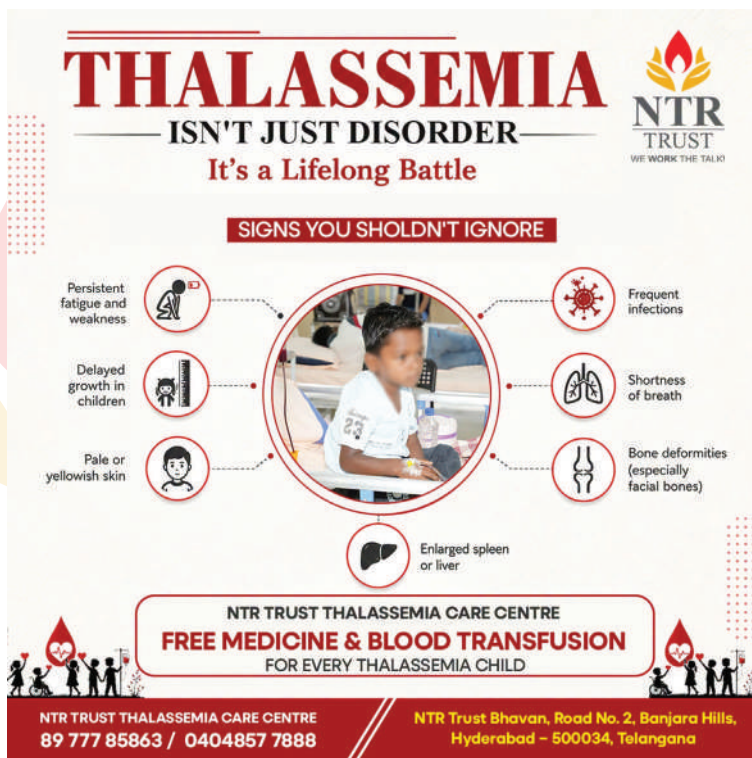

2. Essential Medication and Ongoing Treatment

Thalassemia management involves more than just transfusions. To address iron overload from repeated transfusions, iron chelation therapy is essential.

NTR Memorial Trust provides these expensive medications free of charge, ensuring children receive comprehensive care.

NTR Trust Thalassemia Care Centre continues to stand as a strong pillar of support for Thalassemia affected children, ensuring continuous care, dignity and hope for a better life.

"When care continuous, Hope survives."

Transforming Lives Through Accessible Healthcare

"Healthcare at the doorstep of people, with the spirit of service reaching every village."

With a continued commitment to making healthcare accessible to all, NTR Memorial Trust strengthened its community healthcare initiatives through Medical Camps, NTR Sanjeevani Clinics, and Mobile Medical Units, delivering free medical consultations, essential medicines, and timely healthcare support to underserved communities.

During April and May 2026, the Trust expanded its healthcare outreach across various regions, ensuring that quality medical services reached thousands of people who needed them the most.

Through these initiatives, NTR Memorial Trust continues to bridge healthcare gaps by bringing medical services closer to communities and ensuring access to essential care irrespective of geographical or financial barriers.

Every medical camp conducted, every patient supported, and every medicine provided reflects the Trust's unwavering commitment to building healthier communities through service, compassion, and care.

People's health remains our priority, and service remains our commitment.

NTR Sanjeevani Health Rath: Taking Healthcare to the Doorsteps of Kuppam

These camps provide a wide range of medical screenings and consultations to underserved communities at no cost. Attendees benefit from comprehensive evaluations in areas such as Diabetology, Cardiology, Pulmonology, Ophthalmology, Gynaecology, General Medicine, Dermatology, ENT (ear, nose, & throat), Orthopaedics, and more.

Continuing its commitment to making healthcare accessible to all, NTR Memorial Trust is bringing the NTR Sanjeevani Health Rath to villages across the Kuppam constituency every month, providing accessible healthcare services to communities in need.

The mobile healthcare initiative aims to provide essential medical services directly to communities, ensuring that people receive timely healthcare support closer to their homes.

Services Available

- Free Medical Check-ups
- Free Distribution of Medicines
- Blood Pressure & Diabetes Tests
- Doctor Consultations

Through the NTR Sanjeevani Health Rath, the Trust continues its mission of building a healthier society by reaching underserved communities with compassionate and accessible healthcare services.

Utilise this opportunity to take care of your family's health.

NTR Trust – Committed to creating a healthier and stronger society.

NTR Sujala : A Lifeline of Safe Drinking Water for Communities in Need

"Water is not just a necessity; it is the foundation of health, dignity, and a better tomorrow."

Access to clean and safe drinking water continues to be a pressing challenge across many underserved regions—one that directly impacts health, dignity, and daily life. Responding to this critical need with purpose and urgency, the NTR Memorial Trust introduced the NTR Sujala Safe Drinking Water initiative, a thoughtful and community-driven effort to ensure reliable access to safe drinking water for vulnerable families.

NTR Sujala goes beyond the scope of a conventional water supply program—it serves as a vital lifeline for thousands. Rooted in a deep commitment to public health and human dignity, the initiative bridges the gap between scarcity and security by delivering a consistent supply of purified drinking water to communities most affected by water stress and contamination.

The strength of the NTR Sujala initiative lies in its structured planning, need-based distribution, and unwavering execution. By consistently delivering clean drinking water to those who need it most, the Trust reinforces its larger mission of uplifting communities and safeguarding lives.

In the face of growing climate challenges and increasing pressure on water resources, NTR Sujala stands as a compelling model of a sustainable humanitarian response—anchored in compassion, operational excellence, and a long-term vision for impact.

"Safe drinking water is not merely a basic necessity—it is the very foundation upon which health, dignity, and opportunity are built."

✓ If it is essential to life, we build systems that sustain it

NTR Sujala delivers scalable access to safe drinking water across communities.

- 45 installations**
- 3 cluster models**
- 5.15 lakh+ beneficiaries**

The infographic also features the NTR Trust logo, a large water drop illustration, and a photograph of a water distribution truck at a community center.

Empowering Women Through Skill Development: Beautician Training Programme at Kuppam

"Add skills to your passion and create a pathway to self-employment."

With the vision of empowering women both economically and socially, NTR Trust Sthree Shakti is conducting a Beautician Training Programme in Kuppam.

The programme provides participants with hands-on practical training under the guidance of experienced trainers, equipping them with the skills required to build successful careers in the beauty and wellness industry. It also opens doors to employment and self-employment opportunities, enabling women to achieve financial independence with confidence.

Through initiatives like these, NTR Trust Sthree Shakti continues to empower women with market-relevant skills, helping them build sustainable livelihoods and brighter futures.

Learn • Build Skills • Move Forward with Confidence

Sthree Shakti Hasthakala: Empowering Tradition, Enabling Futures

Sthree Shakti Hasthakala stands as a vibrant platform that brings India's rich artisanal heritage to life, blending tradition with contemporary relevance. Showcasing a diverse range of handmade products—from handlooms and handicrafts to eco-friendly and organic offerings—it creates a meaningful bridge between skilled artisans and modern markets.

Beyond being a marketplace, it is a powerful symbol of empowerment and sustainability. The initiative provides women and rural artisans with visibility, dignity, and sustainable livelihoods, while encouraging communities to value and support authentic, handcrafted creations.

Rooted in a vision of inclusive growth, Sthree Shakti Hasthakala reflects the foresight of Smt. Nara Bhuvaneshwari Garu, Managing Trustee of NTR Memorial Trust, the driving force behind this initiative. It is a testament to how tradition can fuel progress and transform lives.

Where every craft tells a story—and every purchase becomes a step towards empowerment.
